

Master Teacher of Cosmetology

8-MONTH DIPLOMA

Discover the beauty of helping others become successful cosmetologists. As a Master Teacher, you'll quickly gain the skills, knowledge, and ability to teach new students the ins and outs of cosmetology.

You'll learn the basics of instruction like:

- ◆ Communications
- ◆ Public speaking
- ◆ Classroom procedures
- ◆ Instructional management

You'll reinforce these basic skills with higher-level classes where you'll learn:

- ◆ Personal and professional conduct
- ◆ Instructional methodology
- ◆ Theory behind managing salons

Finally, you'll get into the classroom to put your new knowledge to the test — teaching new students how to be professional, reliable, and highly skilled cosmetologists. Best of all, while you're helping students become competent professionals, you can continue to give your clients the best in style and service.
