2019-2020 Catalog
MISSION STATEMENT

Laurel Business Institute is dedicated to providing a quality, career-focused education and professional certifications for individuals seeking employment in various occupations in response to the needs of the regional employer community.

The objectives for Laurel Business Institute are:

A. To Serve the Student by
   • offering educational programs to meet regional demand
   • providing career focused education and student support
   • focusing on educational delivery options to meet the needs of our student population

B. To Serve the Employers by
   • providing trained graduates to meet the employment needs of our business community

C. To Serve the Community by
   • participating in community activities, events, or projects

The information contained in this catalog is descriptive in nature. It does not constitute an irrevocable contract between the student and Laurel Business Institute. LBI reserves the right to make any changes in the contents of this catalog or in the documented course of study that it deems necessary or desirable. These changes are made through established procedures and announced by LBI in its publications.
Laurel Business Institute was established in 1985 to meet the employment and training needs of this community by preparing individuals for jobs that do and will exist. We offer a wide variety of specialized associate degree programs that correspond with employment needs of the regional business community. Each of our programs was developed with significant input from regional employers.

In addition to continually updating our programs and developing new ones, we support our students by staying abreast of future employment trends and by developing our facilities in a way that supports their professional development.

We firmly believe that third party certifications are important credentials recognized by employers nationally and internationally as a statement of an individual’s proficiency in a particular field. We have certifications available in many programs of study and students are able to sit for most of their exams at LBI through our PearsonVUE testing center.

Our students are required to take and successfully complete study-related internships or participate in clinical rotations that give them valuable work experience prior to graduation. These internships and clinical rotations – which feature an excellent opportunity for hands-on, practical experience – often lead to employment opportunities for our students and graduates.

Our campus in Downtown Uniontown includes two historic buildings with more than 63,000 square feet of space and more than 3.5 acres of on-site parking with a covered footbridge connecting these two buildings to our parking lot and School of Trades which houses our Welding and Electrical Technology program. LBI has its own private fiber optic network for internal and external internet and data connections, a learning resource center linked with ACCESS PA, cosmetology and massage clinics, a respiratory therapy lab, a medical lab, and a student center.

Since the days of Sears and West Penn Railways, both of which were housed in our buildings early in the last century, these two historic structures have evolved into what is today LBI. We have seen more than 2,000 graduates pass through our doors and many dreams realized. And, it is no accident that the school is housed in historical buildings. After all, we believe that capitalizing on the existing strengths of the region – its people, its brick and steel buildings, and its underlying resourcefulness – are the best way to generate positive energy and create successful career opportunities for our graduates. In 2013, we opened a Learning Site in Morgantown, West Virginia, in the Westover Plaza.

Laurel Business Institute is currently housed in four buildings: three in Uniontown, PA; and one in Morgantown, WV (Satellite).

All of the facilities provide an environment that are conducive to good instruction and learning, and support the education programs offered by Laurel Business Institute. Laurel Business Institute facilities include classrooms, administrative & staff offices, offices for admission, financial aid, accounting, placement, etc., and laboratories, clinics, trades shops, student facilities, and academic libraries.

All staff and student facilities are air conditioned; and parking areas are provided.

All buildings that house Laurel Business Institute meet the current standards for the Americans with Disabilities Act (ADA).

Laurel Business Institute evaluates equipment needs on an ongoing basis. Students work with a range of tools and equipment to better prepare them for employment. The school strives to invest in current technology and to teach students the latest techniques so they are ready for their chosen professions after they graduate.

Laurel Business Institute is accredited by the Accrediting Commission of Career Schools & Colleges. ACCSC’s scope of recognition with the U.S. Department of Education includes the accreditation of postsecondary, non-degree-granting institutions and degree-granting institutions that are predominantly organized to educate students for occupational, trade and technical careers to award specialized associate degrees, diplomas, and certificates. The Council for Higher Education Accreditation also recognizes its accreditation of degree-granting institutions.

Accrediting Commission of Career Schools & Colleges can be reached by mail at 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201, or by phone at (703) 247-4212, or visit their website at www.accsc.org.

Laurel Business Institute (Pennsylvania) is licensed by the Pennsylvania Department of Education, State Board of Private License Schools to award certificates, diplomas, and specialized associate degrees; and by The Commonwealth of Pennsylvania Department of the State, Bureau of Professional and Occupational Affairs to operate a cosmetology school.

Laurel Business Institute (West Virginia) is licensed by the West Virginia Council for Community and Technical College Education to operate an occupation school; and by the State of West Virginia, Board of Barbers and Cosmetologists to offer cosmetology programs.

Laurel Business Institute was incorporated in the Commonwealth of Pennsylvania on June 7, 1985.
Administration, Faculty & Staff

CORPORATE OFFICER

Nancy M. Decker  
President and CEO  
BS in Business Education, Indiana University of Pennsylvania

Douglas S. Decker  
Secretary and Treasurer  
MBA, Seton Hill University; BS in Business Administration, Point Park College; AST in Information Technology, Laurel Business Institute

ADMINISTRATION

Nancy M. Decker  
President and CEO  
BS in Business Education, Indiana University of Pennsylvania

Douglas S. Decker  
Executive Vice President of Operations  
MBA, Seton Hill University; BS in Business Administration, Point Park College; AST in Information Technology, Laurel Business Institute

Vicki M. Jolliffe  
Vice President of Finance  
ASB in Accounting, Laurel Business Institute

Stephanie M. Migyanko  
Vice President of Financial Aid  
AST in Computer Management, Laurel Business Institute

Charles Santore, Jr.  
Vice President of Human Resources  
Certificate in Data Processing & Computer Programming, Electronic Computer Programming Institute

Bonnie Jean Marsh  
Executive Director  
MED, Math & Computer Science, California University of Pennsylvania; BA in English & Psychology, Geneva College

Sherri Rimel  
Campus Director – WV  
Program Director Cosmetology - PA  
Diploma in Cosmetology, Pittsburgh Beauty Academy of Greensburg; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology; AS in Nursing, Community College of Allegheny County; Teacher License & Cosmetologist License, State of West Virginia Board of Barbers and Cosmetologists

Amy Braymer  
Vice President of Education  
Campus Director (Meadville)  
BS in Elementary/Special Education, Gannon University

Malinda E. Angel  
Director of Career Services  
ASB in Accounting; ASB in Business Administration, Laurel Business Institute

April Butchki  
Program Director Respiratory Therapy and Allied Health  
Teaching Specialty: Allied Health  
MED, Education, Indiana University of Pennsylvania  
BS in Respiratory Care, Indiana University of Pennsylvania  
Registered Respiratory Therapist; Certified Pulmonary Function Technologist, National Board for Respiratory Care

Justin Caldwell  
Program Director Trades  
Teaching Specialty: Trades  
AST in Maintenance Electricity, Triangle Tech; US Navy Nuclear Training, NRA Instructor Training

Kenneth Lapikas  
Director of Information Technology  
BS in Computer Information Systems, Chapman University; Associate in Applied Management & Leadership, Air University Command

Deborah Yuras  
Director of Compliance  
ASB in Executive Secretarial Studies, Laurel Business Institute

FACULTY

Jack Albert  
Teaching Specialty: Respiratory Therapy Clinical Adjunct  
MED, Administration & Policy Studies, University of Pittsburgh; BS in Biology, Slippery Rock University; BS in Respiratory Care, Ohio State University; Registered Respiratory Therapist; Certified Pulmonary Function Technologist, National Board for Respiratory Care

Angela Anthony  
Teaching Specialties: Distance Education: Business & General Education  
M. Ed. Curriculum Design and Instruction, Gannon University  
BA in Humanity/English, Edinboro University of Pennsylvania

Helen Bednarczyk  
Teaching Specialty: Allied Medical  
BS in Geology, California University of Pennsylvania  
BS in Environmental Earth Science, California University of Pennsylvania

Tania Bosley - WV  
Teaching Specialty: Phlebotomy  
AA in Liberal Arts & Sciences – Pennsylvania State University; Diploma in Phlebotomy, National Career School

Kevin Cherry  
Assistant Director of Distance Education  
Teaching Specialty: Business  
MS in Engineering Management, Pennsylvania State University; BS in Bioengineering, Minor in Economics, Minor in Engineering Mechanics, Pennsylvania State University
FACULTY

Hannah Cutwright
Teaching Specialty: Cosmetology
Diploma in Master of Cosmetology and Salon Management, Douglas Education Center; Diploma in Cosmetology, Laurel Business Institute, Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology

Carolyn Davis
Clinical Director of Respiratory Therapy
Teaching Specialty: Allied Health
BA - History, Allegheny College; AS- Respiratory Therapy, Community College of Allegheny County; Registered Respiratory Therapist, National Board for Respiratory Care

Angela Dodd
Teaching Specialty: Cosmetology
Diploma in Cosmetology, Pittsburgh Beauty Academy; Master Teacher Diploma, Mon Valley Career and Technology Center; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology

LaVonne Doljac
Instructor/Assistant Network Administrator
Teaching Specialty: Information Technology
AST in Network Administration & Security/Computer Software, Laurel Business Institute

Ashley Douglas
Student Services Coordinator
Teaching Specialty: Allied Health
PharmD, West Virginia University

Ashley Doyler
Teaching Specialty: Respiratory Therapy Clinical Adjunct
AST - Respiratory Therapy, Western School of Health and Business Careers; Registered Respiratory Therapist, National Board for Respiratory Care

Chris Drake – WV
Teaching Specialty: Trades
Certificate; Marion County Adult Educational Center; Computer Integrated Manufacturing Certificate; Monongalia County Technical Education Center; Type I, Type II Refrigeration

James Ernette
Teaching Specialty: Allied Health Instructor, Respiratory Therapy Clinical Adjunct
AST in Respiratory Therapy, Sanford Brown; Registered Respiratory Therapist, National Board for Respiratory Care

Robert Ferrari
Teaching Specialty: Trades
AST in Welding & Fabrication Technology, Triangle Tech

Amanda Foster
Teaching Specialty: Cosmetology
Diploma in Cosmetology, Pittsburgh Beauty Academy; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology

Jeffrey Greenly - WV
Distance Education On-ground Support Coordinator
Teaching Specialty: Trades
Certificate in Electrical Technology, Monongalia County Technical Education Center; Master Electrician, West Virginia Fire Marshal

Jaime Lyn Hanisch - WV
Teaching Specialty: Massage Therapy
MA in Teaching, Fairmont State University; BA in Health Education, Fairmont State University; AAS in Health Science, Medical Careers Institute; Licensed Massage Therapist, State of West Virginia Massage Therapy Licensure Board

Kelly Harshman - WV
Teaching Specialty: Cosmetology
Diploma in Cosmetology, Laurel Business Institute; Cosmetology License, Pennsylvania State Board of Cosmetology; Teacher License & Cosmetologist License, State of West Virginia Board of Barbers and Cosmetologists

William Herbert
Teaching Specialty: Trades
AST Electrical Engineer Technician Pennsylvania State University

Carol Hulton - WV
Teaching Specialty: Cosmetology
AST in Cosmetology, Laurel Business Institute; Diploma in Esthetics, Laurel Business Institute; Teacher License, Cosmetologist License, and Esthetician License, Pennsylvania State Board of Cosmetology; Teacher License & Cosmetologist License, State of West Virginia Board of Barbers and Cosmetologists

Cathy Jackson
Teaching Specialty: Distance Education; General Education and Allied Health
BS in Safety Science, Indiana University of Pennsylvania; Pennsylvania Teacher’s Certificate for General Science, Edinboro University

Sandi Petro
Teaching Specialty: Business, Applied General Education, Allied Health
BS in Business Administration, California University of Pennsylvania

Cindy Pocratsky
Teaching Specialty: Cosmetology
Diploma and teacher’s certificate in Cosmetology, Prudence Snyder Beauty Academy; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology

Amy Rhodes - WV
Teaching Specialty: Cosmetology
Diploma in Cosmetology, Uniontown Beauty Academy; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology; Teacher License & Cosmetologist License, State of West Virginia Board of Barbers and Cosmetologists
FACULTY

Kayla Richter
Teaching Specialty: Cosmetology
Diploma in Master Teacher of Cosmetology, AST in Cosmetology, Laurel Business Institute; Teacher License & Cosmetology License, Pennsylvania State Board of Cosmetology

Thomas Rogerson
Teaching Specialty: Respiratory Therapy Clinical Adjunct
BA - Theology, Peniel Baptist Seminary; AST - Respiratory Therapy, Laurel Business Institute; Registered Respiratory Therapist, National Board for Respiratory Care

Karen M. Romero
Teaching Specialty: Massage Therapy
Therapeutic Massage Technician Program, Career Training Academy

Laura Rose
Teaching Specialty: Cosmetology
Diploma in Cosmetology, Morgantown Beauty College; Teacher License & Cosmetologist License, State of West Virginia Board of Barbers and Cosmetologists

Tracy Rowe
Teaching Specialty: Massage Therapy
Diploma in Massage Therapy, Art & Science Institute of Cosmetology & Massage Therapy; Licensed Massage Therapist, State of West Virginia Massage Therapy Licensure Board

Debra L. Russell
Teaching Specialties: Early Childhood Education & General Education
BS in Early Childhood Education, California State College; MEd (Area of Concentration: Reading Specialist), California University of PA

Dawn Sape
Teaching Specialty: Allied Health
ASCP Phlebotomy, Phlebotomy Training Center; Diploma in Medical Assisting, MTCTC; Licensed Practical Nurse, Western Area Career and Technology Center

Melissa A. Seabury
Teaching Specialty: Massage Therapy
BS in Marketing, Florida State University
Diploma in Massage Therapy, Florida College of Natural Health

Paul A. Tickner
Teaching Specialty: Business & Applied General Education
BS in Agricultural Science, La Trobe University; Diploma in Secondary Education, Melbourne University

Michele Tota
Library Consultant
Teaching Specialty: Distance Education: General Education
MS in School Librarianship, McDaniel College; BS in Secondary Education English, Clarion University of Pennsylvania

Sean Trunzo
Teaching Specialty: Phlebotomy
Diploma, The Phlebotomy Training Center of Pittsburgh; EMT Certification, Community College of Allegheny County

Robert N. Weimer
Teaching Specialty: Trades
AAS in Diesel Mechanics Technology, Westmoreland County Community College; Diploma in Welding Engineering Technology, Westmoreland County Community College

Danny Wheeley
Instructor/Computer Technician
Teaching Specialty: Information Technology
AST in Network Administration & Security, Laurel Business Institute

Tracy Zivkovich
Teaching Specialty: Business
MBA in Human Resources, Waynesburg University; BS in Human Resources, Geneva College

SUPPORT STAFF

Cori Cowan
Digital Marketing Specialist/Career Services Coordinator
BS in Graphic Technology, Fairmont State University

Lisa L. Dolan
Senior Admission Representative
Diploma in Medical Secretarial Studies, Laurel Business Institute

Lynn Hall
Financial Aid Administrator
ASB in Accounting, Laurel Business Institute

Derek Harshman
Accounting Administrator
ASB in Accounting, Laurel Business Institute

Nancy Kleba
Administrative Assistant/Front Desk Receptionist
ASB in Office Administration, Laurel Business Institute

Michael Krulock III
Admission Representative
BA English and History, Washington & Jefferson College

Louis Tom
Maintenance Supervisor
Certification, Central Westmoreland Career & Technical

Terri Nicklow
Purchasing Agent
Academic Diploma, Hempfield Senior High School

Lea Pizzutelli
High School Recruiter
Self-Designed BA in Design with a Minor in Management, Seton Hill College
SUPPORT STAFF

Michele Ritchey
Administrative Assistant/Front Desk Receptionist

Uniontown Area School District Technology Plan Committee
Uniontown Hospital Board of Trustees
Uniontown Kiwanis Club
Uniontown High School Advisory Council
West Virginia Service Providers Association
Westmoreland-Fayette Workforce Investment Board
Westmoreland Human Resources Association
Women’s President Organization
ADMISSION

Applicants to Laurel Business Institute are considered without regard to age, race, color, creed, religion, sex, national origin, marital status, non-job related physical disability, or any other legally protected classification.

The following criteria must be met to complete enrollment for all LBI programs:

- Admission interview
- Application for admission
- Minimum score on Wonderlic SLE Examination of 14 is required for all programs except Respiratory Therapy which requires a minimum score of 18.
- Enrollment Agreement (Application must be 18 years of age to sign or document must be cosigned by a parent or guardian)
- Statement of Understanding specific to program of enrollment
- Student Disclosure Form
- High School diploma, certificate or other acceptable proof of graduation from an institution providing secondary education, or the equivalent of such graduation. A valid institution is one that is recognized as a provider of education by the U.S. Department of Education.
- Interview with Financial Aid and completion of the Free Application for Federal Student Aid (FAFSA) if student is applying for financial assistance
- Payment of $50.00 application fee*
- Background Check consent form
- Some LBI programs have additional admission requirements

*Payment of the Application Fee at time of enrollment may be waived for students re-entering LBI within less than 364 days of having withdrawn, graduates from an LBI program, and recipients of financial assistance from an agency that covers the fee for the student. Third party funding must be verified in order for the payment of the Application Fee to be waived.

The programs at Laurel Business Institute are designed for obtaining employment and are not avocational in nature. Student enrolling in these programs should do so with the intent to complete the program and pursue a career in that field. Laurel Business Institute will prepare students educationally for employment and will assist students in all obtaining employment through our Career Services department, but does not, in any way, guarantee employment.

PROGRAM SPECIFIC ADMISSION REQUIREMENTS

In addition to the above listed requirements, the Respiratory Therapy Program has the following additional program requirements:

- Job Shadowing
- Two-step interview

The completed application for admission is carefully evaluated, and the decision concerning acceptance or rejection is made in the best interest of the prospective student and his or her ability to succeed at Laurel Business Institute. If an individual fails to meet any of the above requirements prior to the start of the program, his/her enrollment will be cancelled.

Any student wanting to enroll in a WV Cosmetology program shall not be permitted to enter any class for study or be given credit for any work done in the school prior to the time his or her permit has been received from the WV Board of Barbers and Cosmetologists. Some programs may require relocation, licensure, and/or certification for employment in some positions.

All students who are accepted will be required to sign a Statement of Understanding form. This form lists fees related to their program (including fees for medical equipment, software, materials, uniforms, certifications, or tests); specific dress requirements for programs, clinical sites or internship sites; and any physical requirements necessary to complete the programs, including drug screening requirements.

BACKGROUND CHECKS AND DRUG SCREENINGS

LBI places the safety and welfare of its students, faculty, and staff as a highest priority. As a result, students applying to any program must successfully submit consent for a criminal background check to be eligible to begin classes. Results will be evaluated prior to the end of the add/drop period. Convictions, guilty pleas or nolo contendere pleas for certain drug related, fraud based, or other serious crimes will automatically disqualify a prospective student from remaining actively enrolled: he or she will be unregistered from all courses and the institution without incurring academic or financial penalty. A listing of the specific offenses that are considered can be obtained from the institution.

If a potential applicant believes that the results of the background check are incorrect, the institution will provide the student with the contact information to appeal the institution’s decision. However, the application process will not move forward until the appeal is complete and the student may need to re-apply for a future class if the appeal is accepted.

The student is responsible for the cost of the criminal background check.

Laurel Business Institute may deny admission to an applicant based on the results of his/her background check, or may deny enrollment into certain programs based on those results. Laurel Business Institute may also dismiss an enrolled student as a result of a criminal conviction during the student’s course of study. Applicants with any misdemeanors or felonies may be required to meet with the Campus Director or other designated Campus Administrator for a personal interview prior to final acceptance. Administration will make professional judgment to accept or deny admission based on how the potential of future employment in the chosen field of study would be affected by any criminal records.

Certain programs offered by Laurel Business Institute require students to successfully complete an internship or clinical coursework at external sites. Before accepting students, some of these sites may require background checks of their own. A student who cannot be placed on a site for any reason, including a background check unsatisfactory to that site, may be unable to finish the program’s coursework and, therefore, may be unable to graduate. Employers in many fields also require pre-employment background checks of their own. Background check results unsatisfactory to employers in a particular field may limit the student’s employment opportunities even if that student has graduated from a program in that field offered by Laurel Business Institute. Information regarding criminal background checks is included in the Student Disclosure Form.
Additionally, some agencies and employers may require candidates to submit to a drug screening test. Students with criminal records that include felonies or misdemeanors (including those that are drug-related) or personal background issues such as bankruptcy might not be accepted by these agencies for clinical assignments, externship, or employment following completion of the program. Employment and externship decisions are outside the control of the institution. LBI cannot guarantee clinical rotation and/or externship placements for individuals with criminal, drug-related, or personal background histories that preclude them from working in a professional setting.

VALIDATING HIGH SCHOOL GRADUATION

All students will be required to provide proof of secondary school completion in order to enter into any program of study at LBI. Students will not be eligible to attend if the school does not have documentation that properly validates high school completion prior to the commencement of classes. Valid documentation includes a high school diploma, transcript or GED. A valid institution is one that is recognized as a provider of education by the U.S. Department of Education. A student that submits a diploma or official document from a foreign country must have his or her document translated by an appropriate official and verified that their document is at least equivalent to a US high school diploma. If the school determines that the diploma, GED, or high school transcript may not be valid, the student will not be permitted to attend classes.

FOREIGN TRANSCRIPTS

Students with foreign educational credentials must submit authentic foreign academic documents from all upper secondary and post-secondary educational institutions. Students with foreign educational credentials will not be accepted for admission prior to validation that their foreign educational credentials are authentic and meet admission requirements. Any academic documents submitted for admissions consideration will be retained as property of the school and not returned to the student. Coursework taken at a foreign institution (excluding secondary school documents that are in English and are recognized by U.S. Network for Education Information, USNEI, U.S. Department of Education) must be evaluated for equivalence to coursework taken at a United States institution. Documents submitted in a foreign language must be both translated and evaluated for U.S. High School equivalence. LBI accepts the evaluations of foreign coursework from several services. Please contact the admission department for a complete list.

ENGLISH PROFICIENCY

LBI does not provide English as a second language instruction. Students are required to speak English in classes that are taught in English. A student whose native language is not English and are enrolling in programs taught in English are required to provide proof of English proficiency by one of the following:

- Test of English as a Foreign Language (TOEFL) with an Internet-Based Test (iBT) score of 61 or higher, Paper-Based Test score of 500 or higher, or Computer-Based Test (CBT) score of 173 , Advanced Placement International English Language (APIEL) with a score of 173 or higher, International English Language Testing System (IELTS) with a level of 6 or higher, Successful completion (i.e. grade of PASS or ‘C’ or Better) of accredited high school or accredited college coursework taught in English.

Non-Discrimination: Non-Discrimination: All Laurel Business Institute applicants will be considered without regard to age, race, color, creed, religion, sex, national origin, marital status, non-job related physical disability, or any other legally protected classification.

All buildings that house Laurel Business Institute meet the current standards for the Americans with Disabilities Act (ADA). If an individual has any special needs as addressed by the ADA, he or she should contact Amy Braymer, Vice President of Education at 724-983-0700. Reasonable efforts will be made to accommodate those needs. See Students Seeking Reasonable Accommodations.

PROCEDURES FOR APPLICATION

1. Request an application from Laurel Business Institute at 11 East Penn Street, PO Box 877, Uniontown, PA 15401; by phone at 724-439-4900; or by email at admission@laurel.edu.
2. Complete the application and return it to Laurel Business Institute along with the required application fee of $50. The application fee is refunded to any applicant not accepted for study.
3. Evidence must be provided of high school graduation or of satisfactory performance on the GED test or equivalent.
4. A visit to the school is required for all prospective students. This allows the student to speak with a staff member and to view the school’s facilities. Admission assessment is also scheduled at this time to confirm that the prospective student has the skills and abilities to complete study successfully at Laurel Business Institute.
5. The decision regarding acceptance or rejection of the application will be made within two weeks and will be conveyed to the applicant in writing.
6. All courses are taught in English. Students must be able to speak, read, and write English fluently.
7. All applicants must complete an Enrollment Agreement (must be signed by a parent or guardian if the applicant is under 18 years of age).
8. Those accepted for admission are required to complete a financial aid appointment prior to beginning classes if they are applying for financial assistance.
9. New students and students who have been readmitted are required to attend an orientation prior to the beginning of classes.

READMITTANCE POLICY & PROCEDURES

A student may apply for readmittance to the school after being withdrawn or dismissed. The readmittance policy is as follows:

1. The student must complete a new application for admittance with one of the admission representatives. The student must also write a letter to the Campus Director, providing an explanation of the changes that have occurred in his/her life that will enable him/her to succeed in a program of study. The student must enroll again under the current tuition and fee structure.
2. The student must obtain permission from the Campus Director to re-enroll. The Campus Director will determine what previously earned credits from LBI will be accepted to the original or new program.
3. The student must meet with the Accounting Department to verify all financial obligations to the school have been met. If the student has not been a LBI student for more than one year, a re-entry fee of $50 must be paid.
4. The student must contact the Financial Aid Office to reapply for financial aid or make satisfactory payment arrangements.

SINGLE-COURSE APPLICATIONS

Applicants for single courses who will not enter into a full program of study are only required to complete the following procedures:
1. Attend an initial personal interview to determine the probability of success.
2. Complete a brief Application and Enrollment Agreement (must be signed by a parent or guardian if the applicant is under 18 years of age). Admission assessment is also scheduled at this time to confirm that the prospective student has the skills and abilities to complete study successfully at Laurel Business Institute.

Course acceptance will be based on space availability and the student satisfying the prerequisite requirements. Students not enrolling in a program are not eligible to receive Title IV funds. Some programs are cash only and not eligible for Title IV funds.

STUDENTS SEEKING REASONABLE ACCOMMODATIONS

Laurel Business Institute does not discriminate on the basis of disability. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the educational resources of the school, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (“Section 504”) and the Americans with Disabilities Act (42 U.S.C. § 12182) (“ADA”), their related statutes and regulations, and corresponding state and local laws. Reasonable accommodations for persons with disabilities will be made on an individual basis. However, it is the responsibility of that person to seek available assistance and to make his or her needs known when he or she enrolls.

Documentation to support the disability must be provided to the school at the time of the request. Information pertaining to an applicant’s disability is voluntary and confidential.

Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for an accommodation. However, if a student discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a Request for Accommodations form, which is also available on LBI’s website at www.laurel.edu/accommodations. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the Vice President of Education listed below, who has been designated to coordinate the efforts of the school to comply with Section 504 and ADA.

ADVANCED PLACEMENT

Advanced placement may be considered for applicants who have specialized training in high school, college, university, other business or technical institutions, or for those applicants who have significant work experience in a particular field. The evaluation of any student request for advanced placement will be made by the Campus Director prior to the beginning of classes. Official transcripts are required for advanced placement evaluation.

Upon qualifying for advanced placement in a course or courses, appropriate credit will be given to the student, and the student will not be required to take the course or courses at Laurel Business Institute. Advanced placement is indicated on the transcript with an “AP” and will not be used in calculating the grade point average or successful completion rate.

A prospective student may also challenge a course and take an exemption test for that course. The exemption fee for each exemption test is $50, pass or fail.

If a student is required to take a certification test for the exemption, he or she will be billed for the cost of the exam. Students who have failed a course may not take an exemption exam for that course; they must retake the class regardless of the reason for failure.

The combined total number of credits advanced placed and transferred may not exceed 49% of the number of credits in the student’s program.

COSMETOLOGY TRANSFER REQUIREMENTS

A person transferring from another cosmetology school to Laurel Business Institute must meet all admission requirements. We reserve the right to deny or accept all, part, or none of the hours credited at another institution based on personal interviews, practical evaluations, and theory evaluations. A qualified instructor will evaluate the prospective transfer student. This evaluation will include the applicant’s aptitude, comprehension, and ability. If accepted, the transfer student will then be placed into the level of learning deemed necessary to maintain satisfactory progress.

Credit will be given for hours earned from other institutions in accordance with the results of the evaluation.

The transferring student must provide Laurel Business Institute with the following:
1. An official transcript from the original school listing hours earned by the student.
2. Verification from the appropriate licensing authority that the other school is licensed in that state.

HIGH SCHOOL DUAL ENROLLMENT

High school students can enroll for up to six credits per semester either through a concurrent enrollment agreement with LBI, a cyber-school agreement, or through LBI’s High School Dual Enrollment program. For more information on this program, including charges and courses available, interested students should contact the admission department at 724-439-4900 or admission@laurel.edu.
TRANSFERS OF CREDITS

Students from other postsecondary institutions may apply for admission by following the steps in the section Procedures for Application. In addition, all students must complete a “Transfer Credit Evaluation” form and attach a transcript. All transfer students must have an official transcript sent to Laurel Business Institute from the previous institution and must supply a catalog or course description for any course they wish to transfer to Laurel Business Institute. Courses having a “B” grade or better will be considered for transfer credit. A placement test may also be required.

The combined total number of credits advance placed and transferred may not exceed 49% of the number of credits in the student’s program.

Transfer credits will be a part of the student’s permanent record. Transfers will be indicated on the transcript with a “T” and will not be used in calculating the grade point average or successful completion rate.

Transfers of Laurel Business Institute courses to other postsecondary institutions will be governed by the policies of the institutions to which Laurel Business Institute students are transferring. The listing of credit hours is not meant to infer that credits will transfer into other college programs. A credit hour is a unit of measurement, not necessarily an indication that a credit or credits will transfer. The institution receiving the request for credit transfer decides whether to accept those credits. We are a nationally accredited institution and our credits are unlikely to transfer into core curriculum at regionally accredited institutions.
Financial Assistance

FINANCIAL ASSISTANCE

Students of Laurel Business Institute can use several sources of financial assistance in addition to their personal resources. The types and amounts of financial assistance available will depend on the individual’s eligibility and qualifications. The following sources of Federal and State financial aid are available: Federal Pell Grants, Federal Supplemental Education Opportunity Grants (FSEOG), PHEAA State Grants, PA Tip Grant for Trades, Federal Work Study, and Federal Direct Loans.

As a matter of philosophy, Laurel Business Institute believes that students should first make use of personal funds, scholarships, grant money, or governmental agency support prior to borrowing money through the Federal Direct Loan Program, or other sources.

Tuition is billed by the semester or payment period and is due prior to the start of classes. Students who need to make monthly payments may do so by contacting the Accounting Office and making payment arrangements prior to the start of classes.

Laurel Business Institute’s will provide students with information about how to complete their Free Application for Federal Student Aid (FAFSA). The prospective student should plan to complete his or her financial aid interview and application at least one month prior to the beginning of classes.

A number of governmental and quasi-governmental agencies have approved students for study at Laurel Business Institute. Those agencies include, but are not limited to, the Office of Vocational Rehabilitation (OVR), Trade Assistance Act (TAA), the Department of Veterans Affairs (VA), Workforce Investment Act (WIA), and Department of Public Welfare (DPW).

REFUND POLICY FOR CREDIT HOUR PROGRAMS – GOVERNED BY STATE BOARD OF COSMETOLOGY

Laurel Business Institute’s refund policy adheres to both state and federal requirements.

The application fee of $50 is due with the completed application. The application fee will be refunded if the student requests cancellation within five calendar days of the initial application or if the student is not accepted. A student canceling after the fifth calendar day following his or her enrollment date but prior to the beginning of classes will be refunded any money paid to the school except the application fee. Once the student makes a verbal request for the refund, the student has five additional days to present the school with a written request for the refund.

a. If a student enrolls and withdraws or discontinues after his/her scheduled classes have begun but prior to the student’s having attended any classes, he/she shall be entitled to a refund of all monies paid the school, less the application fee.

b. If a student enrolls and withdraws or discontinues after attendance in his/her scheduled classes has been recorded, the refund policy stated in the table following will be applied:

<table>
<thead>
<tr>
<th>Percentage of Time to Total</th>
<th>Amount of Total</th>
<th>Institutional Costs Owed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Time of Payment Period</td>
<td></td>
<td></td>
</tr>
<tr>

</tr>
</tbody>
</table>

Refunds will be made within 30 days of the official withdrawal date or within 30 days of the date of determination of withdrawal if the student does not officially withdraw. Any post-withdrawal disbursement will be made within 30 days of the date of the determination that the student withdrew. Only refunds of $25 or more will be made. Book charges, equipment, and fees are non-refundable. The books and equipment provided for the term remain the property of the student once they are paid in full. Textbooks and student equipment left at the school for more than 30 days after withdrawal become the property of Laurel Business Institute.

Any refund due to the student will be applied to the student’s account if there is an unpaid cash balance.

Laurel Business Institute’s refund policy adheres to both state and federal requirements.

The application fee of $50 is due with the completed application. Any refund due to the student will be applied to the student’s account if there is an unpaid cash balance.
RETURN OF TITLE IV FUNDS POLICY

The 1998 amendments to the Higher Education Act made substantial changes to the way an institution treats a student who fails to complete a period of attendance for which he or she has been charged. The student earns federal aid in an amount directly proportional to the percentage of the payment period completed. When a student who is eligible for Title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of Title IV grant or loan assistance that the student earned as of the student’s last day of attendance. Title IV funds include Unsubsidized and Subsidized Federal Direct Loans, Parent PLUS Loans, Federal Pell grants, and FSEOG grants.

The federal government mandates that students who withdraw from all classes may only keep the percentage of financial aid they have earned up to the last day of attendance. Title IV funds that were disbursed in excess of the earned amount must be returned by the school and/or the student owing aid funds to the school, the government, or both.

If the student’s last day of attendance occurs after completing 60% of the term, the student is considered to have earned 100% of the federal grant and/or loan assistance for the term. If the student’s last day of attendance occurred before 60% of the term was completed, the student and/or the school will be required to repay the amount of Title IV aid received in excess of what the student earned. The school will determine the amount of Title IV grant or loan assistance that the student has earned as of the student’s last day of attendance.

If a refund is due by the school, it will be made to the appropriate Title IV fund within 45 days of the date of official withdrawal or within 45 days of the date of determination of withdrawal if the student does not officially withdraw. Any post-withdrawal disbursement will be made within 45 days of the date of the determination that the student withdrew.

The student will also be notified of any payment owed the government based on the Return of Title IV funds calculation.

The difference between what the school is able to retain according to refund policy and the amount that can be retained according to Return of Title IV Funds is the amount the student owes the school.

If there is a refund due to Title IV, it will be refunded in the following order:

a. Unsubsidized Federal Direct Loan
b. Subsidized Federal Direct Loan
c. Federal PLUS Loan
d. Federal Pell Grant
e. FSEOG
f. Any other Title IV program

SCHOLARSHIPS

Laurel Business Institute may offer a number of scholarships for individuals who want to pursue career education. LBI’s scholarship committee awards these scholarships based on their evaluation of class rank, grade point average, attendance, assessment scores, biographical questionnaire, scholarship reference form, essay, and personal interview. Applications and more detailed information are available for LBI’s Admission Department.

High School Scholarships:

**Milton T. Decker Memorial Scholarship** - Full tuition for high school seniors with GPA of 3.5 or better

**John D. Mihm Memorial Scholarship** - Half tuition for high school seniors with a GPA of 3.0 or better

Non-Traditional Scholarships:

**Christopher D. Decker Memorial Scholarship** - Half-tuition for individuals who are not yet LBI students and who are not high school seniors. Individuals who have applied for this award in the past include those who have earned their GEDs and want to continue their education, those who have transferred from another school to LBI, those who want to start a new career, and many others. Named for LBI founder, Christopher Decker, this scholarship reflects the deep belief he had in people—in their ability to be strong in the face of difficulties, in the strength it takes to start a new path in life, and in the importance of second chances.

**Ruth H. and Milton T. Decker Memorial Scholarship** - is available to students who have already completed at least two semesters of one of LBI’s associate degree programs and who have maintained a 3.25 GPA. Preference will be given to Early Childhood Education students. Individual awards will vary from year to year. Scholarship funds will be applied to tuition, books, fees and equipment and will not be given directly to the student. Any federal, state or agency grant funding the student receives will be credited to the student’s outstanding balance before the scholarship funds are applied. Any scholarship money not needed to cover direct education costs will be returned to the scholarship fund.
Tuition, Books & Fees

TUITION

The tuition is listed on the tuition supplement to this catalog and on the enrollment agreement. Each item lists the tuition and other costs for each program. Tuition for each semester is billed at the start of classes. Tuition, books, and other fees must be paid or payment arrangements must be made prior to the start of classes. If a payment plan has been authorized, a late fee of 1.5% of the outstanding balance may be applied if payment is not received by the due date. If a student’s account become 90 days past due, the amount due may be turned over to a collection agency. The student may also be responsible for fees associated with the collection of any outstanding debts.

The tuition charge for part-time students is proportional to the tuition for the program. A course load of 6 to 8 credits is considered half time, 9 to 11 credits is considered three-quarter time, and 12 or more credits is considered full time. Credits in excess of 18 are considered an overload and must be approved by the Campus Director. An additional per-credit charge may be assessed for course overloads and/or repeated courses.

Tuition changes will be made at the beginning of a semester and the student will be notified 30 days in advance.

TEXTBOOKS

Students are billed for textbooks at the beginning of each semester. Textbooks, provided by the school, are distributed prior to the first week of class. Any student who wants to purchase his or her own textbooks and not have them provided by the school must notify the Accounting Department 45 days in advance of the beginning of the semester.

All textbooks purchased by students must be in the same format(s) and contain the same ISBN as those on the LBI textbook list for the current semester.

COST ADJUSTMENTS

All tuition charges, textbook costs, and fees are listed on the tuition supplement to this catalog and on the enrollment agreement. Tuition charges are reviewed annually, textbook costs are reviewed each semester, and if adjusted, become effective for all students currently enrolled or planning to enroll.

CERTIFICATION TEST FEES

Certifications are available for many courses at Laurel Business Institute. Students will automatically be charged for their certification exams for the term they are enrolled in the pertinent course. If a certification test can only be taken after an entire program is completed, the student may be charged for that test in the last term. All certification exams must be taken within six months of graduation. There are no refunds for certification exam fees.

Students who have prior felony convictions or serious misdemeanors may be denied the opportunity to take professional licensing, certification, or registration exams, or may be denied a license or certification to practice in some states even if the exam is taken and successfully completed.

GRADUATION FEE

A graduation fee covers all costs related to graduation. These include the degree, diploma, certificate, official transcripts, and other items. This cost will include the final audit and close out of the academic and financial records of the student.

PROGRAM FEES

Students may be required to pay additional fees associated with their programs. These fees are listed on a Statement of Understanding for each program, which is signed by the students when they enroll. In addition, internship sites and clinical rotations for Respiratory Therapy students—particularly those related to healthcare facilities and educational facilities—may have additional requirements such as immunizations, drug screening, physicals, criminal background checks, and clearances that will be required before a student is permitted to intern. These requirements are specific to each organization and any cost associated with them is the responsibility of the student.

STUDENT SERVICES FEE

A student services fee is charged each term or payment period to cover the cost of school-related services and programs made available to all students.
Student Services & Activities

ACADEMIC ADVISING

Academic advising is provided for students by their instructors. The Campus Director, Program Director, and the Assistant Director of Distance Education are also available to assist students with academic matters.

If a student needs advising, he or she may discuss the issue with any employee with whom he or she feels comfortable talking with. If necessary, students will be given information about local social services agencies and other options and referred to them.

CALENDAR

Laurel Business Institute operates on a twelve-month schedule with three fifteen-week semesters. For specific dates and the school calendar for the year, please refer to the calendar supplement to this catalog or to the website.

CAREER SERVICES ASSISTANCE

The school administration, staff, faculty, students, and alumni of Laurel Business Institute have substantial involvement and contacts in the business community.

This network is used to help students and graduates find employment in the surrounding areas.

While it is not ethical or permissible for Laurel Business Institute to guarantee employment to graduates, the vast majority of graduating students and graduates who are sincerely interested in finding employment are successful. The more time and effort the graduate applies to his or her job search, the better the results.

Career services assistance success results are primarily from the student’s quality education in program-related courses, which include a unique career development course and an internship. These studies give students the skills and understanding they need to learn how to find employment and be productive in their careers.

Graduating students and graduates who request career services assistance are required to meet with a Career Services Representative for an interview prior to any career services assistance. Graduates seeking career services assistance need to contact the Career Services Department to complete the career services agreement, and career services application, update resumes and take skills testing or refresher courses if applicable, or use any other assistance that the school may legally and ethically provide. Violations of the career services agreement by students and graduates in their job search may result in suspension of career services assistance.

A Laurel Business Institute graduate requesting career services assistance twelve months or more following graduation will be required to take skills verification testing in his or her program of study.

Skills verification testing must be passed with a grade of 76% or higher for career services assistance to be provided. If the graduate fails the skills verification test, he or she will be required to take refresher courses to improve his or her skill levels. Laurel Business Institute does not charge tuition for refresher courses in keeping with the Refresher Courses policy. Upon completion of the refresher course or courses, graduates will be given a retest that must be passed with a grade of 76% or better to qualify for career services assistance.

The Director of Career Services or Campus Director has the authority to waive the testing policy if the graduate provides verifiable proof that he or she has been employed performing program-related duties and skills in his or her field of study for the majority of time since graduation.

A graduate who has been found to be terminated “for cause” by an employer will not be provided career services assistance by the school. For example, theft, insubordination, fighting, misconduct, violation of work rules, or poor attendance would be considered termination “for cause.” In this case, the graduate may request a review by the school administration concerning withholding future career services assistance. This administrative review will assess the facts and circumstances of the termination against the proposed sanction of career services assistance and issue a decision.

Laurel Business Institute graduates who terminate their employment must provide their immediate supervisor with a minimum two weeks written notice prior to leaving (more notice is preferable). Failure to provide appropriate notification is not acceptable and may cause the school to stop providing career services assistance for the graduate.

LEARNING RESOURCE CENTER AND ACCESS PA

The Library/Learning Resource Center (LRC) is designed to support the academic activities of the students by providing access to books and resources in a wide range of topics. The collection includes books, reference books, and periodicals as well as databases in electronic format through AccessPA, an online database accessed from any computer, both in and out of school. The AccessPA database is a statewide library catalog that combines the holdings of more than 1,700 school, public, academic, and special libraries in Pennsylvania. The purpose of the database is to facilitate interlibrary loan and resource sharing. The database contains over 29 million holdings of more than four million unique records and is available online at https://accesspa.powerlibrary.org/MVC/. Becoming an AccessPA member gives Laurel Business Institute the opportunity to become an active participant in regional consortia composed of all types of libraries and to participate in Interlibrary Loan services. Students are introduced to the LRC during the Student Success course. Students are also encouraged to obtain membership cards for local public libraries.

PARKING

Free on-site parking is available to all students with a covered footbridge connecting the main building to the parking lots. Spaces for students with disabilities (temporary or permanent) are located outside the main building and can be requested by providing documentation to support the disability claim at the time of the request. Information pertaining to an applicant’s disability is voluntary and confidential.

REFRESHER COURSES

Graduates of Laurel Business Institute are entitled to take refresher courses in their program of study to update their skills so they may remain competitive in the job market. There is no tuition charge for these courses, which are open to graduates as space is available.

Depending on the course, the student may need to purchase a textbook or other material for the class. Refresher courses are available to all alumni. Graduates should contact the Admission Department to schedule refresher courses.
STUDENT LOCKERS

Lockers are available for student use at a cost of $5 per semester or payment period. Students interested in obtaining a locker should contact the Accounting Department.

STUDENT OF THE MONTH

The LBI Student-of-the-Month honor is a recognition program for exemplary students at Laurel Business Institute. A list of students who are near the end of their program is compiled and distributed to all faculty, who then nominate students they feel possess the qualities of character and scholarship that we are proud to see in our graduates. Nominees are then invited to submit answers to a questionnaire aimed at identifying achievement, motivation, and areas of personal and professional growth. Responses are rated by faculty who have instructed the students in their classes. These totals are combined with ratings of such things as the student’s attitude, adaptability, and responsibility to create an overall score.

Up to four individuals who have met a minimum eligibility threshold may be chosen as a Student-of-the-Month in their final term. All Student-of-the-Month honorees possess a positive attitude both inside and outside the classroom. All honorees are adaptable to change and display professional behavior through their communication, dress, and work ethic. All of these qualities create a positive school environment, and the Student-of-the-Month program is a way of thanking those students for being exemplary role models during their educational experience at LBI.

STUDENT ORGANIZATION

All students enrolled at Laurel Business Institute are welcome to join these organizations. Students interested in these organizations can get more information by checking the monitors or bulletin boards.

Lambda Beta Society is the national honor society for the profession of respiratory care. The purpose of this society is to promote, recognize, and honor scholarship, scholarly achievement, service, and character of students, graduates, and faculty members of the Respiratory Care profession. The society supports professional growth and leadership development through activities and programs at the chapter, regional, and national levels.

Laurel Business Institute started a chapter in June 2011. Membership is available to respiratory therapy students who have completed half of their respiratory care courses. Nominated members must be in the upper twenty-five percent of the graduating class.

Membership benefits include recognition of individual achievement and scholarship, having their name entered into a permanent “Roll of Excellence,” and graduation with honors by displaying the Lambda Beta insignia. Scholarships are also available to members only.

STUDENT PORTAL

LBI is always striving to provide the student with valuable information to help the student succeed in the educational journey. The Canvas Login Portal provides secure, self-service web-based access so the student is informed about daily progress in school. This service provides real-time, online access to grade averages, progress reports, homework, missing assignments, announcements, and attendance. This portal can be accessed from any location with an Internet connection. Students are given access during the first week of classes.

STUDENT SERVICES ADVISING

Students experiencing personal problems unrelated to their education will be referred to qualified counselors or agencies outside the school where they can receive assistance. In addition to all faculty and staff being able to help students, each campus has a designated Student Services Coordinator for assistance in resolving issues such as housing, transportation, and child care issues. In addition, each campus has a student resource center with brochures, informational pamphlets, and directories of local student service agencies who provide assistance resolving substance abuse, domestic violence, behavioral counseling and many other relevant topics. Contact the designated Student Services Coordinator for more information.

VOTER REGISTRATION

Laurel Business Institute encourages all students to register to vote. Voter Registration Forms are available at the school’s financial aid office and can be obtained from the U.S. Election Assistance Commission (EAC) website http://www.eac.gov/.

ATTENDANCE

As an occupational school, LBI believes that class attendance is necessary in order for students to acquire the necessary skills, knowledge, and work ethic to succeed in their career. In each class, student participation and/or class attendance has a minimum weight of at least 10% of the students’ final grades. Furthermore, to maintain good academic standing, an overall attendance percentage of at least 80% is required. If a student has missed 14 consecutive calendar days, the student’s enrollment will be terminated.

Student attendance is monitored at the end of each progress report period as well as at the end of each term. If a student’s overall attendance rate falls below 80% at the time of the progress reports, the student will meet with the lead instructor, the program director, or the Campus Director to discuss methods of improving their attendance and the consequences of continued poor attendance. Any student whose attendance rate falls below 80% at the end of a term will be placed on attendance probation for the following term. Students whose attendance falls below 80% in two consecutive terms will be dismissed for failing to meet the conditions of their probation.

LBI does not distinguish between excused and unexcused absences, with the following exceptions.

- Students who are attending a school-sanctioned activity (i.e. field trip, job interview) will not be marked absent, provided the times are comparable.
- Students who are absent with jury duty, documented court orders, or military orders will be marked absent, but the absences will be waived when calculating attendance percentages. All other absences will be counted in the attendance grade.
- Students may appeal the attendance probation decision to the administration based on extenuating circumstances. Students who wish to return to school after being terminated for poor attendance must sit out a minimum of one term, and then follow the school’s re-entry procedures in applying to be readmitted.

Clock hour attendance:

Students are required to be present for all scheduled classes. Just as an individual would be required to call off from work, the student is required to call the school prior to class and report the reason he or she is unable to attend so instructors can be notified.

If a student has missed 14 consecutive calendar days, the student’s enrollment will be terminated.

Distribution of Financial Aid is based on the hours earned. Satisfactory Academic Progress is based on the ratio of attended hours divided by scheduled hours. (See also Standards for Academic Progress)

CONDUCT

Students attending Laurel Business Institute are expected to conduct themselves in a manner acceptable to an employer. The administration reserves the right to terminate any student whose behavior, dress, or conduct does not meet acceptable standards. A conduct violation can result in any of the following actions: verbal warning, written warning, suspension, or termination.

The President and/or Campus Director will decide which course of action to take based on the severity of the violation, whether or not the infraction is a repeat offense, and other factors related to the situation.

CONSUMER INFORMATION DISCLOSURE

CLERY ACT

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistic Act, Laurel Business Institute updates information for on-campus and off-campus crime statistics for the past three calendar years prior to October 1 of each year. Each student receives a copy of the complete updated Annual Security Report (ASR) including crime statistics by email, the student may request a paper copy, or the report can be downloaded from the school’s website at http://www.laurel.edu/consumer-information.

The Violence Against Women Act (VAWA) requires that a student or employee who reports to an institution of higher education that he or she has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether it occurred on or off-campus, shall be provided with a written explanation of his or her rights and options. These rights and options include but are not limited to changing academic, living, transportation, and working situations, counseling options, health, mental health, victim advocacy, legal assistance, or other services available for victims both on-campus and in the community. If requested by the victim and if reasonably available, the same options should be available to the victim regardless of whether he or she chooses to report the crime on a formal incident report or to local law enforcement.

COURSE SUBSTITUTION

The school reserves the right to substitute a course of equivalent weight and value for a prescribed course when in the opinion of the administration it will aid the student in achieving vocational objectives.
CRIME AWARENESS & CAMPUS SECURITY ACT REPORT

Title II of Public Law 101-542

The Campus Security Act of 1990 requires that as of September 1, 1992, all institutions prepare, publish, and distribute to all current students and employees, and to any applicant for enrollment or employment upon request, the information described below.

• Any student or employee should report any criminal actions or other emergencies to the Campus Director at the school during the day. These individuals are prepared to notify the appropriate authorities that handle these situations.

• Any student who wishes to be accompanied to the school’s parking facilities should notify the Campus Director.

• Laurel Business Institute will refer any criminal activities to the local police department. Laurel Business Institute encourages its students and employees to report any suspicions of criminal activity to the Campus Director promptly. The local police department handles school criminal matters once notified by the school.

• Laurel Business Institute does not employ a campus security staff due to the infrequency of security-related incidents. We encourage students and employees to be responsible for their own security and the security of others. Any security-related incident should be reported to the Campus Director who will handle the incident appropriately.

• Federal regulations require that Laurel Business Institute provide statistical information about the number of occurrences for certain crimes on campus for the last year.

• Laurel Business Institute does not provide any off-campus housing, nor do we have off-campus student organizations. Therefore, there are no statistics of criminal activity at off-campus locations to report.

• Federal Regulations require that Laurel Business Institute provide statistical information for the last three school years for the number of arrests on campus for liquor law violations, drug abuse violations, and weapon possessions.

• The use of alcoholic beverages or the use or sale of illegal drugs is strictly prohibited at Laurel Business Institute. Please refer to Laurel Business Institute’s Drug-Free Awareness Program information, which complies with Drug-Free Schools and Communities Act, and is provided through the Annual Security Report provided to all students and also to all employees at point of enrollment or hire and yearly by October 1 thereafter.

• Weapons of any kind are not permitted on school property at any time. Any violation of the policy will result in disciplinary action including dismissal.

The Annual Security Report (ASR) can also be downloaded from the school’s website at http://www.laurel.edu/consumer-information.

DISCLOSURE OF STUDENT INFORMATION

Laurel Business Institute maintains academic and financial aid records for students. The academic records are the responsibility of the Registrar and are housed separately from financial aid records, which are maintained in the Financial Aid Office.

Students wishing to review their records may request to do so by contacting the Campus Director and completing and following the procedures outlined on the file review request form. Any student wishing to have information released to parents or reviewed by parents must sign a release form that can be obtained from the Financial Aid Office.

DRESS CODE

Laurel Business Institute observes a casual yet tasteful dress code to allow our students to be comfortable at school. Students should be presentable at all times. Students in programs requiring a uniform must abide by the dress code in their program of study.

When interning, students must follow the internship site’s dress code.

The following items are unacceptable according to Laurel Business Institute’s dress code policy and are not to be worn.

• Any item that is excessively tight, short, or revealing

• Leggings & Spandex

• Mini Skirts

• Inappropriate or offensive imprinted t-shirts

• Tank tops

• Crop tops

• Hats or headwear (not permitted inside the school at any time)

We strongly recommend that students refrain from tattoos and body piercing (except for the ear lobe) in all visible areas. Employers and internship sites have commented that such items are unprofessional and not acceptable according to their policies.

As Laurel Business Institute strives to impart professionalism to our students, we ask that students be mindful of the expectations of employers and internship and clinical sites. As an intern, students must abide by the dress code policy of each site as an employee would. Failure to do so can affect the internship grade.

Students ignoring the dress code will be advised by the Campus Director and will be subject to disciplinary action up to and including suspension or termination of enrollment.

EARLY RELEASE

A credit-hour student requesting an early release from classes in his or her final term to accept employment must meet the following conditions:

• The eighth week of the term must have been completed.

• The student must have at least a “C” average in all classes and a cumulative grade point average of at least 2.0.

• The position must be study-related and a permanent full-time position. The student must meet with the Career Services Assistant to determine if the position meets these requirements, and he or she must sign the Pre-Graduation Release Agreement.

• The student must meet with each instructor to determine what requirements he or she would need to meet in order to complete and pass the course. Each instructor will put the course requirements and due dates on the appropriate form to be handed in with the completed exam.

• The student must have a financial aid exit interview and have the Financial Aid Administrator sign the Pre-Graduation Release Agreement.

• The student must meet with the accounting department and have the Fiscal Assistant sign the Pre-Graduation Release Agreement.
• The student must turn in the Pre-Graduation Release Agreement and all Pre-Graduation Release Addenda to the Campus Director for final approval.
• The student will not be officially released from classes until all of the above items have been completed. Any class absences prior to this will be unexcused.

EQUAL OPPORTUNITY
All applicants for admission or employment will be considered without regard to race, color, national origin, age, sex, religion, disabilities or genetic information.

The buildings housing Laurel Business Institute meet the current standards for the Americans with Disabilities Act (ADA). If a prospective student has any special needs as addressed by the ADA, he or she should contact Laurel Business Institute at 724-439-4900 and ask to speak to the Admission Department. Reasonable efforts will be made to accommodate his or her needs. See Students Seeking Reasonable Accommodations.

FOOD & DRINK
As a convenience for students, Laurel Business Institute has designated areas for eating. Vending machines, microwaves, and refrigerators are located on the premises. Food and drinks are not permitted in the library or the computer rooms. Additionally, no food or drinks are permitted in the classrooms unless specific permission is given by the instructor.

HONOR CODE
Laurel Business Institute has an honor code for all classes. Each student is expected to do his or her own work at all times. Cheating is a basis for possible expulsion from school.

Any student who does not follow Laurel Business Institute’s honor code will be brought before the Campus Director for disciplinary action.

A student caught cheating will receive a grade of 0% for that quiz, test, exam, project, or other graded material, which will then be averaged with his or her other grades in determining the final course grade. The final course grade will then be lowered one letter before being placed on the student’s transcript.

If there is a cooperative cheating incident, all parties will be penalized as above. If a student is caught cheating a second time, the student’s enrollment at LBI will be terminated and a failing grade of “F” recorded on the student’s permanent transcript for each enrolled course.

LEAVES OF ABSENCE
A student may request a leave of absence for personal or medical reasons at the end of a term for the next term or extended if the student is intending to return to school.

The school reserves the right to have the student examined by a physician of its choice.

For financial purposes, if a student does not return as scheduled from the LOA the student will be considered to have withdrawn, and withdrawal procedures will be followed.

LOAN DEFAULT
Prompt repayment of all student loans is an essential part of the loan process. Students having difficulty meeting their repayment obligations should contact their lender or the Financial Aid Office to discuss other options such as modifying payment arrangements or obtaining deferments or forbearance.

Students in default will be ineligible to receive any federal Title IV funding until the Department of Education has removed the Default Status.

PERSONAL PROPERTY
Laurel Business Institute assumes no responsibility for loss or damage to a student’s personal property or vehicle.

SCHOOL EQUIPMENT & FACILITIES
The use of all school equipment, facilities, and information is restricted to school-related business. This restriction includes the use of telephones, facsimile machines, copy machines, postage machines, computer hardware, computer software, networks, supplies, email, Internet, course syllabi, course outlines, textbooks, reference materials, audio and video tapes, plans, reports, and the time for producing or using any of these items.

Laurel Business Institute also provides students with access to electronic media and services, including computers, email, telephones, and the Internet. These resources are provided exclusively to support educational programs and are not to be used for any other purpose. Laurel Business Institute operates in compliance with the Federal Electronic Privacy Act; however, students should have no expectation of privacy in files, disks, documents, email, and any other electronic communication that has been created in, entered in, stored in, downloaded from, or used on the Laurel Business Institute computer system.

Pursuant to this end, the specific Computer and Internet Usage Agreement has been established and is signed by all new students during the financial aid interview. Students should further understand that Laurel Business Institute provides the right to the Network Administrator to block any web site or activity deemed objectionable and/or dangerous and to monitor any computer activity and inspect any computer at any time. Monitoring is based on legitimate need and limited in scope to achieve those purposes.
SEX CRIMES PREVENTION ACT

The Campus Sex Crimes Prevention Act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. Pennsylvania’s General Assembly has determined public safety will be enhanced by making information about registered sexual offenders available to the public through the internet. Knowledge whether a person is a registered sexual offender could be a significant factor in protecting yourself, your family members, or persons in your care from recidivist acts by registered sexual offenders. Public access to information about registered sexual offenders is intended solely as a means of public protection, any other use prohibited.

Pursuant 42 Pa.C.S. § 9799.28, the State Police has established this website to provide timely information to the public on registered sexual offenders who reside, are transient, attend school, or are employed/carry on a vocation, within this Commonwealth.

Pennsylvania’s Megan’s Law, 42 Pa.C.S. § 9799.32(1), requires the State Police to create and maintain a registry of persons who reside, or is transient, work/carry on a vocation, or attend school in the Commonwealth and who have either been convicted of, entered a plea of guilty to, or have been adjudicated delinquent of certain sexual offenses in Pennsylvania or another jurisdiction. The sex offender registry maintained by the Pennsylvania State Police may be obtained at https://www.pameganslaw.state.pa.us/.

The sex offender registry maintained by the West Virginia State Police may be obtained at www.wvsp.gov.

West Virginia State Code §15-12 entitled the Sex Offender Registration Act authorizes the electronic release of information regarding certain sex offenders required to register under West Virginia Law.

While all attempts are made to provide complete and accurate information, the West Virginia State Police does not guarantee the accuracy of the information made available to the public via the West Virginia Sex Offender Registry Website. The information released through this site is as complete as has been currently verified and processed by registry personnel. It should be noted and understood that the information released via this site may be in the process of being verified and/or changed or the listed offender may have changed information without notifying the West Virginia State Police. The West Virginia State Police do not assess the specific risk for re-offense with regard to any offender released via this website.

This information is provided in the interest of public safety and should be used only in order to take appropriate precautions. The information accessed through the use of this website may not be used to threaten, intimidate or harass registered sex offenders and violations of law will be investigated by the West Virginia State Police.

SEXUAL HARASSMENT, HARASSMENT, DISCRIMINATION & RETALIATION POLICY

It is the policy of Laurel Business Institute that sexual harassment, discrimination, and harassment of and between Laurel Business Institute students, employees, and non-employees is unacceptable conduct and will not be tolerated. Laurel Business Institute is committed to our policy that all students have a right to be educated in an environment that is free from any form of sexual harassment, discrimination, or harassment that may be created by a student, employee or non-employee.

All students are also responsible to help maintain an educational environment that is free from all forms of sexual harassment, discrimination, and harassment. This is in keeping with the efforts to establish an environment in which the dignity and respect of all members of the institutional community are observed.

The sexual harassment and harassment policy applies to not only the school property during normal school hours, but also to school travel and all school-related social functions, even if such activities are held off-site.

Definition of Sexual Harassment

Unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature constitute sexual harassment when:

A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education.
B. Submission to or rejection of such conduct by an individual is used as the basis for education decisions affecting such individual.
C. Such conduct has the purpose or effect of unreasonably interfering with an individual’s education performance; or creating an intimidating, hostile or offensive education environment.
D. Such conduct will threaten or suggest that a student’s refusal to submit to sexual harassment will adversely affect that student’s educational status, financial aid, grades, schedule, attendance, any preferential treatment or any other terms or conditions affecting a student’s education.

The two main forms of sexual harassment are:

Quid pro quo (this for that or something for something)– demands or requests for sexual favors in exchange for a condition of a student’s education or education decisions affecting the student. This type of violation involving an employee with a student has a zero tolerance and is a termination of employment offense.

Hostile environment occurs when sexual or other discriminatory conduct is so severe and pervasive that it interferes with an individual’s performance; creates an intimidating, threatening, offensive, or humiliating environment. This type of violation involving an employee or student is subject to disciplinary action up to and including termination.

Sexual Harassment may involve the behavior of a person of either sex against a person of the same or the opposite sex, when that behavior is unwelcome, unwanted or offensive and may affect an individual’s education conditions and/or performance.
Some examples of conduct that may constitute sexual harassment include: (a) making unwelcome sexual flirtations, advances, requests for sexual favors, or other verbal, visual or physical conduct of a sexual nature relating to a condition of employment or education (b) any act which has the effect of creating a harassing, intimidating or a hostile environment (c) creating an intimidating, hostile or offensive environment whereas such conduct may include the following:

**Verbal**
- Telling sexually oriented or suggestive stories or jokes.
- Sexual innuendo or sexually suggestive comments, kidding or teasing.
- Subtle pressure or requests for sexual activities.
- Referring to or calling an individual by an endearing, demeaning or sexual term such as sweetie, sweetheart, doll, honey, dear, cutie, love, babe or other sexual nicknames.
- Making sexual comments and innuendos about a person’s body or appearance.
- Sexually degrading words used to describe an individual.
- Probing into a person’s sexual experiences or preferences.
- Insisting on dates when a person is not interested and/or has declined previous offers.
- Making suggestive sounds, calls or whistling at a person.
- Using foul, obscene, abusive or vulgar language.
- Sexually explicit, suggestive or offensive comments.
- Verbal abuse of a sexual nature.

**Nonverbal**
- Leering or ogling suggestively at a person.
- Intentionally following or stalking a person.
- Reading, displaying, sending or showing sexually suggestive or revealing words, sexually suggestive objects, pictures, magazines, graffiti, emails, faxes, calendars, posters, cartoons or other visuals.
- Making suggestive gestures or body movements.
- Sending unwanted notes, emails, faxes or other written material.
- Giving sexually oriented or unwanted personal gifts.
- Visiting sexual or porn related internet sites.

**Physical**
- Unnecessary touching or unwelcome physical contacts of an individual including pinching, petting, hugging, kissing, caressing or brushing against another.
- Massaging a person’s neck, shoulders or other parts of their body.
- Leaning over, standing too close to, or brushing up against a person; invading their space.
- Blocking, impairing or otherwise interfering with an individual’s normal movement.
- Physical or sexual assault

Any student who is harassed should tell the harasser that the behavior is unwelcome or unwanted in an attempt to stop the action; however, the student being harassed may also report the behavior to the chain of command simultaneously, or it is not required to tell the offender to stop, but report it directly. If the illegal behavior continues, it is now defined as persistent behavior, developing into a more serious sexual harassment violation involving more severe disciplinary action. All sexual harassment violations must be reported immediately to Bonnie Marsh, Executive Director; or to Chuck Santore, Vice President of Human Resources; or to Nancy Decker, President/CEO or any other member of management.

**Definition of Harassment and Discrimination**

It is Laurel Business Institute’s Policy that all relationships during the course of a student’s education shall be conducted in an environment that is not hostile or offensive. Harassment and discrimination in the terms and conditions of education against students on all relevant protected classes based on sex, race, color, national origin, religion, and disability is prohibited and will not be tolerated.

Examples of inappropriate behavior of harassment include but not limited to:
- Derogatory remarks, demeaning nicknames, slurs or comments about a person’s membership in the above protected class
- Derogatory or demeaning kidding or teasing
- Visual messages such as posting cartoons that are demeaning or degrading words to describe an individual
- Jokes or stories that make fun of a stereotype or protected class
- Using foul, obscene, abusive, or vulgar language
- Reading, displaying, sending or showing demeaning or derogatory objects, words, pictures, magazines, graffiti, emails, faxes, calendars, posters, cartoons or other visuals
- Verbal or nonverbal mimicking or imitating innuendoes that have a negative connotation
- Verbal, physical, or written harassment such as derogatory treatment based on gender, degrading words to describe an individual, or any negative action that refers to a certain ethnic group, race, sex, nationality, age, disability, religion or belief is in violation of this policy and is forbidden.

Violations of harassment, sexual harassment, or discrimination will result in disciplinary action up to and including termination of employment or enrollment.

**Employee-Student Relationships**

An employee is not permitted to engage in unacceptable conduct with a Laurel Business Institute student such as an amorous, dating or fraternizing relationship, sexual flirtation, sexual advance or any type of sexual relationship especially if that employee instructs, evaluates, supervises, advises, has authority over or has some influence relating to that student.

Sexual advances, sexual flirtations or requests for sexual favors from an employee toward students are unacceptable behaviors that will result in severe disciplinary action. Sexual oriented or unwanted personal gifts involving an employee and a student is unacceptable conduct. An employee found to have committed such unacceptable conduct is in violation of this policy and will be subject to disciplinary action up to and including termination of employment.

Any student who is harassed should tell the harasser that the behavior is unwelcome or unwanted in an attempt to stop the action; however, the student being harassed may also report the behavior to the chain of command simultaneously, or it is not required to tell the offender to stop, but report it directly. If the illegal behavior continues, it is now defined as persistent behavior, developing into a more serious sexual harassment violation involving more severe disciplinary action. All sexual harassment violations must be reported immediately to Bonnie Marsh, Executive Director; or to Chuck Santore, Vice President of
**Confidentiality**

The confidentiality of complaints will be assured to the extent consistent with a thorough investigation and business need-to-know. The fact-finding team consists of Bonnie Marsh, Executive Director; Chuck Santore, Vice President of Human Resources; and Nancy Decker, President/CEO who will investigate all complaints in a timely and impartial manner including interviewing all parties involved and any witnesses with first-hand information. The fact-finding team will issue a finding of facts that will be communicated to the complainant and accused. All parties involved in the complaint are required to keep all matters related to the complaint confidential and details of the complaint are not to be discussed with anyone except the fact-finding team.

Retaliation against individuals who file a sexual harassment, harassment, or discrimination complaint or who are part of the fact-finding investigation process is strictly forbidden. Individuals that have been found in violation of retaliation will be subject to disciplinary action up to and including termination.

**SMOKING PRODUCTS POLICY**

The use of smoking products and smoke producing products of any type shall be prohibited on all school owned and operated campus grounds both indoors and outdoors except in designated smoking areas. Designated smoking areas are defined as where smoking receptacles are located. This smoking ban does not apply to public rights-of-way (sidewalks, streets) and on the perimeter of the campus. Tobacco use is not permitted inside any school facilities.

Smoking, as used in this policy, means smoking any substance, including but not limited to, tobacco, cloves, or marijuana.

Smoking products and smoke producing products include, but are not limited to, cigarettes, e-cigarettes, cigars, pipes, vapes/vaporizers, etc. School owned and operated campus grounds include, but are not limited to all campus buildings, campus walkways, campus parking lots, and School owned or leased vehicles.

This policy applies to all employees, students, contractors and visitors, when on the school campus.

**STUDENT HEALTH**

Students accepted into Laurel Business Institute are required to complete a personal health and medical record. This record provides the school with a brief medical summary. The health and medical record also becomes part of the student’s permanent file.

In addition, students enrolling in allied health programs may have specific health requirements that are detailed on the Statement of Understanding signed during the admission process.

Student healthcare services are not directly available on the site. If a student becomes ill or has an accident, the student should notify faculty or staff immediately. If necessary, the family will be contacted and/or the student will be transported to the local emergency room either by the institution or by an ambulance service.

**SOLICITATION**

Laurel Business Institute will support the fund-raising efforts of school-approved organizations. Solicitations within the building or on the premises by any outside person or by students, faculty, and staff are prohibited. Any requests for solicitations of and between LBI students and/or employees must be submitted in writing and approved in advance by the Campus Director.

**STUDENT PRIVACY RIGHTS**

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. The following provides a general outline of these provisions.

1. The right to inspect and review the student’s educational records within 45 days of the day the school receives a request for access.
   a. Students should submit written requests to the Campus Director that identify the record(s) they wish to inspect. A school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official would tell the student the correct official to whom the request should be addressed.

2. The right to request an amendment of the student’s educational records that the student believes is inaccurate or misleading.
   a. Students may ask the school to amend a record that they believe is inaccurate or misleading. They should write to the school official responsible for the records, clearly identify the part of the record they want to have changed, and specify why it is inaccurate or misleading.
   b. If the school decides not to amend the record as requested by the student, the school will notify the student of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent. Disclosure without consent to school officials with legitimate educational interests is permitted. A school official is a person employed by the school in an administrative, supervisory, academic, or support staff position; a person or company with whom the school has contracted (such as an attorney, auditor or collection agent); or a student assisting another school official in performing his or her tasks.
   a. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.
   b. Other exceptions that permit disclosure without consent are:
      i. To authorized representatives of the Comptroller General of the United States; the Attorney General of the United States (for law enforcement purposes); the Secretary of the Department of Education of the United States; and state and local educational authorities.
      ii. To parents of dependent students, as defined in Section 152 of the Internal Revenue Code of 1986.
iii. To a parent or a legal guardian in connection with a health or safety emergency.

iv. To a parent or a legal guardian of a student regarding the student’s violation of any federal, state, or local law, or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance if the student is under the age of 21 and the institution determines that the student has committed a disciplinary violation with respect to that use or possession.

v. If a parent or eligible student initiates legal action against the school, the school may disclose to the court without a court order or subpoena the student’s educational records that are necessary for the school to defend itself.

vi. The disclosure is in connection with a disciplinary proceeding conducted by the school against a student who is an alleged perpetrator of a crime of violence.

A student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Laurel Business Institute to comply with the requirements of FERPA. The name and address of the office that administers FERPA is the following:

Family Policy Compliance Office US Department of Education
400 Maryland Ave, SW Washington, DC 20202-4605

The school may release public directory information concerning students at any time unless the school has received prior written objection from the student specifying information that the student requests not be released. Such information includes, but is not limited to, the student’s name, address, email address, telephone listing, date and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate; full time or part time), participation in officially recognized activities, photographs, degrees, honors and awards received, and the most recent educational agency or institution attended.

STUDENT RIGHT TO KNOW ACT

This Act requires schools receiving federal financial aid to disclose graduate or completion rates for the student body. This information allows students and parents to make informed choices in selecting an institution of higher education. Completion rate information is available on our website at http://www.laurel.edu/consumer-information

SELECTIVE SERVICE

Men between the ages of 18 to 25 must be registered with the Selective Service System. Failure to register will make the student ineligible to receive any Title IV Funds.

TRANSCRIPTS REQUESTS

A request for an official transcript must be made in writing to Laurel Business Institute. A $5 fee must accompany each written request. All balances owed to Laurel Business Institute must be paid in full; otherwise, the transcript will not be released.

TUTORING SERVICES

Laurel Business Institute offers free tutoring to students who are having difficulty in one or more of their classes. Students should speak to their instructors regarding tutoring services. The instructor will either work with the student personally or assist him or her in setting up tutoring sessions with a peer tutor. Students should contact the Learning Resource Center Coordinator or the Campus Director with any difficulties setting up tutoring or with the tutoring program in general.

VETERANS REGULATIONS

Credit for Previous Education & Training

Appropriate credit is given for comparable previous education and training, and the training period will be shortened accordingly.

Leave of Absence

The Veteran’s Administration does not recognize a Leave of Absence. If a student is granted a Leave of Absence from the school, the Certifying Official must report to the VA that the student is Withdrawn from the school based on Last Day of Attendance.

Make-up Work

Make-up work is not permitted for the purposes of receiving Veterans Administration Training Allowance. Failed classes are the responsibility of the student and will not be covered by VA.

Tardiness

Any student not physically present at the start of his or her class period will be considered tardy. Each occurrence accumulates and is included in total absenteeism reporting. Three tardies equal one absence. Excessive tardiness may be cause for discontinuance of V.A. Educational Assistance Allowance.

VACCINATION POLICY

Laurel Business Institute does not require proof of immunization in order to enroll in classes or programs. However, proof of immunization may be required prior to beginning an internship or clinical rotation. This will be based on the policies of the sites.

VISITORS

All visitors must enter through the front door of the school and sign in with the receptionist. Visitor badges will be provided and must be worn while on Laurel Business Institute property. Spouses, children, or other visitors are required to wait at the front reception area or outside the school in the visitors’ parking spaces.

Students expecting visitors should plan to meet their visitors at the front desk. The receptionist will not page the student nor will the visitor be allowed to walk through the school looking for the student.

Children can only be brought to school in cases of extreme emergencies and only if the child is of an age that he or she can be left alone while the parent is taking an exam or attending class. Additionally, the student must obtain permission from the Campus Director to bring the child to school. The child must remain in the lunchroom while the parent is in class. The student is responsible for his or her child while on school premises. All children must be registered at the front desk upon arrival and receive a visitor’s badge.

If the child becomes disruptive, the parent will be notified and may be required to remove the child from the school. Children are not allowed in the classroom or computer centers at any time.
WEAPONS

No weapons of any kind are permitted on school property. A student that brings a weapon or weapons on school property will be subject to disciplinary action up to and including termination from school.

In addition, any threat to shoot or harm any student(s), employee(s) or visitor(s) is taken very seriously and considered a severe violation of the weapons policy. Violation of this type of action will result in immediate suspension pending investigation and reporting to law enforcement. Verification that this type of violation existed will result in immediate termination from school and appropriate legal action, if applicable.

WEST VIRGINIA COSMETOLOGY PROGRAMS POLICIES

Satisfactory progress in attendance and academic work is a requirement for all students enrolled at Laurel Business Institute. Students receiving funds under any Title IV financial aid program must maintain satisfactory progress in order to continue eligibility for such funds.

Attendance

The school’s attendance policy follows the requirements of the West Virginia Board of Barbers and Cosmetology in that all students are required to attend classes at least eighty percent of the time they are enrolled in school. Students are required to account for any absence of more than twenty percent of the time after enrollment by a written excuse from a doctor, dentist, or someone who can verify to the Board the necessity of the students’ absences. The attendance rate is calculated by dividing the actual hours by the scheduled hours from the beginning of the course.

A daily class record is kept for each student, showing the number of hours devoted to the respective subjects, the number of clinical operations performed, the total number of hours the student attends, and the days each students is absent.

In addition, a monthly record of the student’s entire enrollment is kept and sent to the Board to show the number of months and the days that each student is absent and present, the hours devoted to each subject, and the number of clinical operations performed by the student to date.

An electronic time clock is used to record student hours. Students are required to clock in upon arrival, and out for lunch breaks and when leaving for the day. Students will only receive hours that are electronically recorded.

Dress Code

Students are required to wear the provided uniforms at all times during school hours. These uniforms must be kept clean and neat at all times. The student is responsible for washing his or her own uniforms.

Grievance Procedures

Laurel Business Institute strives to meet the needs of all our students and resolve any concerns brought to the school’s attention. Concerns regarding a particular class or instructor should be discussed privately with that instructor. If a satisfactory solution is not reached, the student should discuss the situation with the Campus Director. If further action is required, the student should file an incident/grievance report with the Campus Director and the administration will investigate the situation and determine the appropriate resolution.

Any concerns regarding student organizations, the administration, staff, or building facilities should be discussed with the Campus Director.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.

Please direct all inquiries to:
Accrediting Commission of Career Schools & Colleges
2101 Wilson Boulevard, Suite 302
Arlington, VA 22201
(703) 247-4212
www.accsc.org

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting Chuck Santore, Vice President of Human Resources or online at www.accsc.org.

Student Registration

No student shall be permitted to enter any class for study or be given credit for any work done in the school prior to the time his or her permit has been received from the WV Board of Barbers and Cosmetologists.

POLICY CHANGES

This catalog was prepared with the best information available at time. However, all information, including tuition, fees, textbook changes, course offerings, programs, admission, and graduation requirements is subject to change without notice and becomes immediately effective for all enrolled students.
**Academic Information**

**Certifications**
Students at Laurel Business Institute have the opportunity to take certification exams. These certifications are listed on the Statements of Understanding and Enrollment Agreement.

**Course Numbering System**
The course numbering system consists of a three letter and three number combination.
Letter prefix designates program or classification of subject matter. Examples are: Cosmetology courses have the prefix COS, Electrical Technician courses have the prefix ELC, Respiratory Therapy courses have the prefix RES, Early Childhood Education have the prefix ECE, and Welding & Fabrication with Pipeline Technology courses have the prefix WFP. General education designated GEN and English subjects ENG. Additional combinations are added as necessary with program additions or changes in objectives.
The numbering sequence designation represents course level. Level 100–125 represents course foundations, 126–275 courses assigned throughout the program of study, and 276-299 final term or highest level classes in a subject area.

**Course or Program Changes**
We realize that individual circumstances may make it necessary for a student to reduce the number of credits he or she is carrying or to change the program in which he or she is enrolled. These changes can be made at any time. To process these changes, the student should meet with the Campus Director.
Courses may only be added during the drop/add period, which is the first five days of the term. The tuition charges will be adjusted if the student’s status changes.
If a course is dropped during the drop/add period, the course will not be listed on the transcript for that term, and the tuition charges will be adjusted if the student’s status changes to ¾ or ½ time. Any drops or withdrawals made after this period but before the midpoint of the course will be reflected on the transcript as withdrew passing (WP) or withdrew failing (WF) and will not affect the grade point average. No tuition adjustment will be made. All courses dropped after the midpoint of the course will receive the grade of “F” and will affect the grade point average accordingly. No tuition adjustment will be made.

**Credit Hour Programs**
The school currently uses the following conversion formula.
- 15 clock hours of theory = 1 credit hour
- 30 clock hours of lab = 1 credit hour
- 50 clock hours of internship = 1 credit hour
Please note that 50 minutes of instruction equal one clock hour and the listing of credits is not meant to imply transferability into college programs.

**Clock to Credit Hour Programs**
Clock-to-Credit Hour Conversion Programs are calculated using 37.5 hours = 1 semester credit with no more than 7.5 hours (semester) allowed for homework. This is for financial aid purposes and complies with the USDE’s definition of a credit hour.

**Outside Preparation**
To adequately comprehend content and achieve success in your program, time outside of class spent reading, studying, reviewing, practicing, researching, and completing assignments is required. For every hour of lecture-based instruction, students should expect to devote two hours of preparation outside of class. Course syllabi will describe how academic achievement in out-of-class learning activities is evaluated and weighted into the overall course grade.

**Clock Hour Programs**
Clock hour courses are assigned credits only to be used to weight courses for calculations of GPA and QPA.

**Academic Year Definition**
A credit-hour program is 30 weeks’ instructional time/24 credit hours.
A clock-hour program is 26 weeks’ instructional Time/900 clock hours.

**Credentials Awarded**
Laurel Business Institute awards three levels of credentials: specialized associate degrees (occupational), diplomas, and certificates.

- **Pennsylvania** - These Specialized Associate Degree programs are approved by the Pennsylvania Department of Education: Accounting & Business Administration, Administrative Office Technology, Early Childhood Education, Electrical Technician, Medical Billing & Coding, Medical Office Administration, Network Administration & Security, and Respiratory Therapy.

- **West Virginia** - These diploma programs are approved by the West Virginia State Board of Barbers & Cosmetologists: Cosmetology, Hair Styling, and Nail Technician.

This program is approved by the West Virginia State Board of Barbers & Cosmetologists: Cosmetology, Hair Styling, and Nail Technician.

- **Pennsylvania** - These diploma programs are approved by the Pennsylvania Department of Education: Clinical Medical Assistant, Massage Therapy, and Welding & Fabrication with Pipeline Technology.

- **Pennsylvania State Board of Cosmetology** - These diploma/certificate programs are approved by the Pennsylvania State Board of Cosmetology: Cosmetology (Diploma), and Esthetics (Diploma).

- **West Virginia** - These diploma programs are approved by the West Virginia State Board of Barbers & Cosmetologists: Cosmetology, Hair Styling, and Nail Technician.

This program is approved by the West Virginia Board of Massage Therapy Licensure Board: Massage Therapy.

And, approved by West Virginia Council for Community and Technical College Education: Electrical Technician (degree) and Clinical Medical Assistant (diploma).

In order to earn a specialized associate degree or diploma, a student must successfully pass all courses in the program of study as outlined in the graduation requirements section of the catalog. Certificates may be awarded for the successful completion of individual courses.

28
DISTANCE EDUCATION

Laurel Business Institute is committed to providing quality education regardless of the delivery method. All online/distance education will be consistent with the mission of the school. Quality assurance for online/distance education at Laurel Business Institute is a process involving faculty, staff, administrators, and students to ensure that online courses meet institutional, accreditation, and/or state licensing standards of quality and best practice. Faculty who choose to participate in online/distance course delivery are expected to undergo training in the technology used to deliver the course for the purpose of maintaining quality course delivery and thereby enhancing student retention and success. Faculty are also expected to adhere to a set of requirements and expectations regarding classroom interaction and student engagement so as to provide a consistent experience for students. The quality assurance standards for online courses are based on nationally accepted standards of quality for online courses including those required by the Accrediting Commission of Career Schools and Colleges (ACCSC) or our national accrediting agency. Due to U.S. Department of Education regulations, we currently only offer distance education to students who reside in Pennsylvania and in West Virginia.

We will use Canvas, our Learning Management System, in the following capacities as we move forward in our distance education initiative—supplemental to our ground-based courses, in hybrid-based courses to be determined, and fully online courses. The learning outcomes for courses offered via distance education in either a hybrid or a fully online format will not differ from the learning outcomes of the on-ground version of the course.

During the admission process, students will take an Online Readiness Evaluation (attached) to determine their readiness to participate in a distance education course. This assessment will not be a factor in the decision to accept the student, but will serve as a "pretest" so that the instructor of the Distance Education Orientation course will have a sense of what the baseline competency is for the starting cohort as well as identify students who may need more active assistance through the orientation. An on-site Assistant Director of Distance Education will be introduced during the orientation and he or she will be available to assist students with any issues that may arise.

Documenting that a student has logged into an online course is not sufficient to demonstrate academic attendance by the student. Students must have participated in an academically related activity, such as participating in an online discussion about academic matters or initiating contact with faculty to ask a question about the academic subject studies in the course by the published drop date. In order to comply with this federal requirement, Laurel Business Institute offers the following process for documenting attendance when students are enrolled in distance education courses:

Examples of acceptable evidence of academic attendance and attendance at an academically-related activity in a distance education program include:

- student submission of an academic assignment,
- student submission of an exam,
- documented student participation in an interactive tutorial or computer-assisted instruction,
- a posting by the student showing the student’s participation in an online study group that is assigned by the institution,
- a posting by the student in a discussion forum showing the student’s participation in an online discussion about academic matters, and
- an e-mail from the student or other documentation showing that the student initiated contact with a faculty member to ask a question about the academic subject studied in the course.

Academically related activities do NOT include activities where a student may be present, but not academically engaged, such as logging into an online class without active participation.

Per the school’s attendance policy for all students, if a student has missed 14 consecutive calendar days, the student’s enrollment will be terminated.

There will be no additional graduation requirements for students to participate in distance education. The standard requirements of successful completion of the program of study with a minimum 2.0 grade point average within the maximum allotted timeframe for completion applies.

Distance Education students will have access to all student services during normal business hours. These include education, tutoring, library resources, accounting, financial aid, and career services.

Laurel Business Institute is committed to protecting student identities and privacy and this commitment extends to the online learning environment. Each student will be issued a unique and private login ID and password for Canvas. Only administrators have the ability to reset passwords for students upon request for ultimate protection and privacy. Once a password is reset, the student is encouraged to update the password him/herself for ultimate protection. For each course taught, only the faculty member assigned to the course will have access to grades, unless an administrator needs to access the course. Additionally, all faculty have been trained on handling FERPA in an online classroom. Students are not charged additional fees to cover the costs of identity verification.

There are no special costs specifically associated with distance education.

A student will always have access to Laurel’s computer labs in the event that a home-based connection is not functional. No specific tests are used to determine access to distance education courses and programs. We will have an on-site distance education coordinator available to assist students with any issues that may arise.

Laurel Business Institute issues a laptop for use as part of the student’s educational curriculum. Students will need electronic access to technology in the classroom and access to textbooks for classwork associated with their courses of study. The use of a laptop will enhance instruction and provide more enrichment opportunities for students to further their academic accomplishments. This will require the student to secure a device capable of meeting these objectives. Should the student choose, Laurel Business Institute will provide the device on the Technology Statement of Understanding (SOU) that meets or exceeds the needs of the student in their courses.

DEAN’S LIST

A student must be enrolled at least on a half-time basis to qualify for Dean’s List honors. Following are the grade point average ranges for earning Dean’s List honors. A Dean’s List ceremony is held to honor students who qualify.

3.80 - 4.00 Highest Honors
3.50 - 3.79 High Honors
3.25 - 3.49 Honors

Credits earned by transfer students at schools previously attended and courses exempted are not included in the grade point average and are not considered for Dean’s List purposes.
GRADE LEVEL
A student will advance a grade level after successfully completing 24 credits or 900 clock hours.

<table>

All failed course must be repeated unless the student changes majors and the new major does not require the course. A student must pass each course in his or her program and have an overall cumulative grade point average of at least 2.0 in order to graduate.

Prerequisite courses require a “C” grade or better to advance to the next level course. The student must repeat the course if a “D” or “F” is received.

A make-up policy for each individual course is listed on each course syllabus.

GRADUATION REQUIREMENTS
In order to graduate from Laurel Business Institute, the student must have satisfactorily completed all courses within his or her program. Additionally, the student must have a cumulative grade point average of 2.0 or higher. All course work must be completed to the satisfaction of each instructor. Graduation from any program of study is not dependent on passing any type of certification or licensing exam.

In order to be considered for the honors of valedictorian or salutatorian, a student must have a cumulative Grade Point Average of 3.8 or higher.

During the student’s final term of study, it is possible for the student to be released after the eighth week to accept a study-related, full-time, permanent position and still graduate with his or her class. A student must obtain written approval from the Campus Director before being excused from classes. The position must satisfy the student and the administration in terms of full-time status, rate of pay, benefits, and permanence.

GRIEVANCE PROCEDURE
Laurel Business Institute strives to meet the needs of all our students and resolve any concerns brought to the school’s attention. Concerns regarding a particular class or instructor should be discussed privately with that instructor. If a satisfactory solution is not reached, the student should discuss the situation with the Campus Director. If further action is required, the student should file an incident /grievance report with the Campus Director and the administration will investigate the situation and determine the appropriate resolution.

Any concerns regarding student organizations, the administration, staff, or building facilities should be discussed with the Campus Director.

The student may also contact the State Board of Private Licensed Schools at the Pennsylvania Department of Education at 333 Market Street, Harrisburg, PA 17126, or by phone at 1-717-783-8228.

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.

Please direct all inquiries to:
Accrediting Commission of Career Schools & Colleges
2101 Wilson Boulevard, Suite 302
Arlington, VA 22201
(703) 247-4212
www.accsc.org

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting Chuck Santore, Vice President of Human Resources or online at www.accsc.org.

INTERNERSHIP
The internship is part of the student’s program that allows the student to apply the skills learned in school in a real employment setting. This is a crucial part of the curriculum and is considered to be work-related experience similar to actual employment. An internship may lead to employment and also provide a source for networking and professional references.

The school’s internship objectives and procedures in addition to the employer’s work rules must be followed at all times. It is extremely important that attendance, punctuality, and strict adherence to the work schedule be high priorities. The student is responsible for following the attendance policy as described in the internship agreement.

To be eligible for an internship, a student must have a 2.0 cumulative grade point average and/or be approved by the Campus Director.

An internship prep class will be required for all students during the term prior to beginning the internship except for students in the Clinical Medical Assistant program. The course will focus on the requirements for completing an internship—reviewing the internship sites available and the required materials that need to be verified by the internship supervisor. In addition, internship sites (particularly those related to health care facilities and educational facilities) may have additional requirements such as immunizations, drug screening, physicals and criminal background checks and clearances that will be required before a student is permitted to intern.
These requirements are specific to each organization and any cost associated with them is the responsibility of the student. The Vice President of Human Resources and Career Services/Human Resources Supervisor supervises the internship program.

In order to pass an internship, all required material must be turned in by the due dates, and all required hours must be completed and verified by the supervisor. An internship must be completed with a passing grade in order for a student to graduate. The student must also meet the employer’s standard of employment. If the student should fail or withdraw failing an internship, only one repeat internship is allowed—even if the student changes programs after unsuccessfully completing the first internship.

If the repeated internship is failed or if the student withdraws failing, the student will not be able to complete his or her program and graduate. No third attempts are allowed.

Some internships may require the student to travel beyond the immediate local area.

CLINICAL ROTATIONS

Students in the Respiratory Therapy program complete clinical rotations instead of an internship. The students begin clinical rotations in their second of five semesters at LBI. Each hospital rotation lasts the entire semester, including seven different hospitals into their educational experience, with several specialty rotations. Clinical rotations are two days per week, Tuesday and Thursday. Each clinical site and specialty rotation has a designated start and end time, which may include a morning or afternoon/evening rotation. Clinical rotations may be 6 or 8 hour shifts, depending on the affiliation agreement between the specific hospital and LBI. Students must have reliable transportation to and from each clinical site and specialty rotation.

Respiratory Therapy students must pass each core course with a grade of “C” or higher in order to advance to the next clinical rotation.

MAKEUP POLICY

All missed exams can be made up but must be completed within a predetermined number day upon returning to school or on designated days at midterm and the end of the term or the missing grades will be recorded as 0% when calculating course grades. In certain cases, such as competency exams or final exams, students may not be permitted to make up the exam, resulting in a grade of 0%. In all cases, this will be noted on the course syllabus. In the event of an absence, students are permitted to make up all class work but it must be done outside of regular class hours and at the convenience of the instructor or other administrator. Hands-on practical labs missed because of an absence may or may not be made up, and the decision will be made on a case-by-case basis. There is no additional cost for make-up work for credit hour programs. For clock hour programs only, if a student fails to complete the required clock hours and successfully complete the program by the contract ending date, a charge will be made for each hour needed beyond this date. The specific hourly charge is listed on the enrollment agreement. The Veterans Administration does not permit make up of hours for Veterans Benefits.

PREREQUISITE COURSES REQUIREMENT

Prerequisite courses are designed to prepare the student to be successful in a related course. Generally, the prerequisite course is taught at a lower level and covers information, theories, skills, and vocabulary that the student will be expected to know before taking the higher-level course. All prerequisite courses will be listed as part of the course descriptions in this catalog as well as on the course syllabi. All prerequisite courses must be completed with a “C” grade or better or advance placed in order for the student to enroll in the higher level course.

SCHEDULE CHANGES

Schedules will be distributed to students prior to the end of the current term along with a copy of the student’s program sheet, which lists the courses that the student has taken. Each student is responsible to review his or her program sheet and inform the Campus Director of any inaccuracies immediately. Failure to do so could result in scheduling errors that could affect the student’s graduation date.

If a student receives his or her term schedule and determines that a conflict exists, the student should see the Campus Director. The request will be reviewed and every effort will be made to accommodate the student.

If a conflict occurs after the beginning of the term, the student should also meet with the Campus Director individually. All attempts will be made to accommodate the student’s needs.

STANDARDS FOR SATISFACTORY ACADEMIC PROGRESS

Laurel Business Institute measures a student’s progress in the program in which he or she is enrolled. For a student’s progress toward a specialized associate degree or diploma to be considered satisfactory, the student must maintain a specified cumulative grade point average and proceed through the program at a specific minimum pace.

The maximum timeframe in which a student must complete his or her course of study is 150% of the program length as measured in credit or clock hours. The maximum timeframe to complete a course of study includes all credit hours attempted or all clock hours scheduled by the student for which the student has incurred a financial obligation or for which federal financial aid funds have been disbursed.

The following table indicates the method for measuring satisfactory progress and minimum requirements:

<table>
<thead>
<tr>
<th>Required Evaluation Point</th>
<th>Minimum Cumulative QPA</th>
<th>Min. Successful Course Completion % of Courses Attempted</th>
</tr>
</thead>
<tbody>
<tr>
<td>25% of maximum program length*</td>
<td>1.25</td>
<td>55%</td>
</tr>
<tr>
<td>50% of maximum program length**</td>
<td>1.50</td>
<td>60%</td>
</tr>
<tr>
<td>100% of maximum program length**</td>
<td>2.00</td>
<td>67%</td>
</tr>
</tbody>
</table>

*Probation is required

**Any student not meeting the preceding standards will be ineligible for financial aid.

A student who changes his or her program or returns to earn an additional credential will have only the grades for those courses in the new program counted when calculating the academic progress. In addition, for the purpose of determining whether the student has completed a program of study in the maximum allowable timeframe, the credits attempted in previous programs will not be considered.
Grades of “A,” “B,” “C,” “D,” “F,” “WP,” “WF,” “P,” and “I” will be used in calculating the successful course completion percentage for measuring satisfactory progress. Grades of “AP” and “T” will not be used in calculating the successful course completion percentage for measuring satisfactory progress.

Each student's progress will be evaluated at the completion of each grading period to ensure he or she is maintaining a minimum 2.0 cumulative grade point average and a successful completion rate of at least 67%. Any student not meeting this standard will be placed on academic probation.

The minimum cumulative grade point average required for graduation is 2.0.

All students at Laurel Business Institute, whether full-time or part-time, are considered under the same set of policies and procedures for all matters relating to standards of satisfactory progress.

A student can reestablish SAP by improving their cumulative grade point average (QPA) and/or completion rate to the minimum requirements for the next evaluation period. A student who is placed on Academic Probation and reestablishes SAP at the end of the Academic Probation period will be removed from Academic Probation.

PROBATION

At the end of each semester, student transcripts are tested against LBI’s standards of Satisfactory Academic Progress (SAP). A student who (because of failed or withdrawn courses that term) becomes unable to complete their program with the maximum time frame will be dismissed for failure to meet satisfactory academic progress. Students whose cumulative grade point average (QPA) is less than 2.0 for the first time that term are placed on academic probation and will meet with the Campus Director or their Program Director to sign an advising form acknowledging their status. A plan to improve academic performance will be discussed, which may involve weekly tutoring or other strategies.

At the end of the following term, probation students will have one of the following outcomes:

- The student’s grade point average (GPA) for the term was sufficiently higher than 2.0 so that the cumulative grade point average (QPA) is now above 2.0. In this case, the student has met the terms of probation and his or her status is returned to student in good academic standing for the following term.
- The student’s grade point average (GPA) for the term was higher than 2.0 but insufficiently higher to raise the cumulative grade point average (QPA) above 2.0. In this case (provided the student is still on track to complete his or her program with a 2.0 QPA within the maximum time frame of the program) the student will be offered extended probation, and academic progress will be assessed again at the end of the following term.
- The student’s GPA for the term was less than 2.0. In this case, the student will be dismissed for failing to meet the terms of his or her probation. A student who has been placed on academic dismissal will not be readmitted for a minimum of one term. In order to be readmitted, the student must follow the Readmittance Policy & Procedures in this catalog. All students returning from a probationary dismissal will be required to maintain a grade point (GPA) average of 2.0 or higher at the end of the probationary period in order to continue with their studies.

APPEAL PROCESS

A student may appeal the determination of lack of satisfactory academic progress and/or the termination of financial aid to the Campus Director and President based upon extenuating circumstances.

In such cases, the determination that the student is making satisfactory progress despite the failure to conform to minimum SAP standards may be made. Documentation to support this decision will be maintained in the student’s file.

COURSE DROPS/ADDS

A student wishing to drop or add courses must do so within five school days of the beginning of the term. Students should see the Campus Director to drop or add courses. Courses dropped within the Drop/Add period do not appear on the transcript.

CLASS SIZE

Classes range in size, with the maximum number of students per class ranging from 8 to 20; laboratory class size ranges from 6 to 15 students depending on equipment available. Class sizes can also vary depending on the programs to enable the student to receive the attention and practical experience necessary for their chosen fields.

COURSE REPETITIONS

When a student repeats a course, the original course and grade will remain on the transcript. The new grade will also appear on the transcript. Only the most recent grade received will be used in the calculation of GPA or QPA, though both will be used in calculating successful completion rate.

INCOMPLETES

If a student does not completely fulfill the requirements of a course due to unusual circumstances, an “I” (Incomplete) grade will be shown on the transcript. The student will sign a form indicating what requirements are necessary to complete the course. A grade will be substituted for the “I” if the student successfully completes the unfinished work before the earlier of the due date set by the course instructor or the end of the following term. If a student does not complete the required work, the incomplete grade on his or her transcript will be replaced with an “F” at the end of the following term. Incompletes are counted in calculating the student’s successful course completion percentage. The new grade will be used in calculating the grade point average.

WITHDRAWAL

To withdraw from a course or program, the student must meet with the Campus Director. If withdrawing from a program, the student must then meet with the Financial Aid Administrator to complete an exit interview and the Fiscal Assistant to finalize his or her bill. Students wishing to return to school in the future must follow the Readmittance Policy & Procedures in this catalog.

Any student withdrawing from a course prior to the midpoint of the course will receive the grade of “WP” (Withdraw Passing) or “WF” (Withdraw Failing) on his or her transcript. “WP” and “WF” are not used when calculating the grade point average, but are used when calculating the student’s successful course completion percentage. Any student withdrawing from a course after its midpoint will receive the grade of “F” for the course on his or her transcript.

Please note that the courses listed below fulfill the applied general education requirements as put forth by Laurel Business Institute’s accrediting agency, the Accrediting Commission of Career Schools & Colleges (ACCSC):

- GEN174 Applied Finance
- PSY159 Applied Psychology
- ENG180 Business English I
- ENG208 Business English II
- EMP144 Customer Service
- CMP113 Introduction to Computers
- CMP135 Introduction to the Internet
- MAT171 Introductory Algebra
- CMP101 Keyboarding I
Accounting & Business Administration
20 Months

Educational Objective: The Accounting & Business Administration program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Students will take courses in accounting, business organization and management, business law, marketing, economics, and Microsoft Office applications and Adobe Acrobat. In addition, the student will develop supervisory and customer service skills and gain an understanding of human resources management. Applied General Education courses are also part of this program to reach beyond the area of academic emphasis and enable the student to meet the challenges of education, work, and life. Graduates are prepared for entry-level positions in business such as including, but not limited to: Assistant Manager, Manager/Supervisor, Manager Trainee, Sales Associate, Customer Service Representative, Accounts Receivable/Payable Representative, Bookkeeper, Administrative Assistant/Office Assistant, Accountant, and Auditing Clerk.

For additional information, please see:
https://www.onetonline.org/link/summary/43-3031.00

Credential Awarded: Graduates of this program will earn an occupational Associate Degree in Specialized Business.

Certifications Available: Microsoft certifications in Access, Excel, & PowerPoint

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Private Licensed Schools and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in this catalog and on our website at http://laurel.edu/consumer-information.

Typical Course Schedule: This program is a total of 1,605 clock hours of training during 75 weeks for typical full-time students. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks.

Available at the Uniontown Campus.
Administrative Office Technology
20 Months

Educational Objective: The Administrative Office Technology program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Administrative Assistants provide administrative support by conducting research, preparing statistical reports, handling information requests, and performing clerical functions such as preparing correspondence, receiving visitors, arranging conference calls, scheduling meetings and making travel arrangements. Individuals in this industry may also train and supervise other clerical staff. Students will become familiar with all the Microsoft Office applications, Adobe Acrobat, Photoshop as well as the latest office technology. In addition, the student will take courses in Accounting, Business Law, Human Resources Management, Payroll, and Legal Office Procedures. Graduates are able to apply for positions with job titles such as: Administrative Assistant, Administrative Coordinator, Administrative Secretary, Executive Administrative Assistant, Executive Assistant, Executive Secretary, Office Assistant, and Office Manager.

For additional information, please visit:

Early Childhood Education
20 Months

**Educational Objective:** The Early Childhood Education program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

**Program Overview:** The Early Childhood Education prepares students to work with children in preschools, day care centers or other child development centers. The curriculum focuses on how children grow and develop, appropriate instructional techniques, working with families, and managing childcare centers. Students will take a variety of courses including teaching techniques, literacy & math development, and children with special needs. Students will also learn techniques for observing and evaluating children’s performance, behavior, social development, and physical health. Graduates are able to apply for positions with job titles such as: Teacher’s Aide/Assistant, Paraprofessional, Special Education Teaching Assistant, Day Care Owner, Group Supervisor, Infant/Toddler Teacher, Child Care Provider, Nanny, and Caregiver.

For additional information, please visit:
https://www.onetonline.org/link/summary/39-9011.00

**Credential Awarded:** Graduates of this program will earn an occupational Associate Degree in Specialized Business.

**Certifications Available:** CPR and Microsoft certification in PowerPoint

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Private Licensed Schools and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in this catalog and on our website at http://laurel.edu/consumer-information.

**Typical Course Schedule:** This program is a total of 1,485 clock hours of training during 75 weeks for typical full-time students. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks.

Electrical Technician
16 Months

Educational Objective: The Electrical Technician program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The Electrical Technician program will prepare graduates for entry-level positions in the electrical field, including those in industrial, residential, construction, commercial, and municipal-related environments. This program will include instruction in residential, commercial, and industrial wiring, layout, motors, and controls. Graduates are able to apply for positions with job titles such as: Electrician, Control Electrician, Construction Electrician, Industrial Electrician, Journeyman Electrician, Journeyman Wireman, Maintenance Electrician, Electrical and Electronics Installer, Commercial Electrician, and Residential Electrician.

For additional information, please visit: https://www.bls.gov/ooh/architecture-and-engineering/electrical-and-electronics-engineering-technicians.htm https://www.onetonline.org/link/summary/47-2111.00

Credential Awarded: Graduates of this program will earn an occupational Associate Degree in Specialized Technology.

Certifications Available: Career Safe OSHA 10-hour safety certification, NFPA 70E Low Voltage Electrical Safety Certification, J-STD International Soldering Certification

Electrical Technician (WV)
16 Months

Educational Objective: The Electrical Technician program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The Electrical Technician program will prepare graduates for entry-level positions in the electrical field, including those in industrial, residential, construction, commercial, and municipal-related environments. This program will include instruction in residential, commercial, and industrial wiring, layout, motors, and controls. Students enrolled in the West Virginia Electrical Technician program that are 18 years of age are eligible to take the Apprentice Electrician exam and receive the Apprentice License if they haven’t already done so.

This program does not meet eligibility requirements for journeyman licensure in the state of West Virginia. Additional field experience is required. Graduates seeking additional licenses such as the Journeyman Electrician or Specialty electrician must contact the West Virginia State Fire Marshal’s office for examination information.

NOTE: The West Virginia State Fire Marshal has the sole power to approve or deny any application for any West Virginia Electrical Exam. Laurel Business Institute is not involved in the Fire Marshal’s decision-making process and has no influence on any final decision made by the Fire Marshal.

Understanding the requirements for employment and certification, state board, or national board licensing exams is the individual student’s responsibility. Such requirements may change during the course of the program. No student is automatically certified in any way upon program completion. Students are responsible for inquiring with the appropriate agencies about current requirements. Students with felony convictions may not be eligible for certification.

For additional information, please visit:
https://www.onetonline.org/link/summary/47-2111.00

Credential Awarded: Graduates of this program will earn an occupational Associate Degree in Specialized Technology.

Certifications Available: Career Safe OSHA 10-hour safety certification, NFPA 70E Low Voltage Electrical Safety Certification, J-STD International Soldering Certification

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Accrediting Commission of Career Schools & Colleges.

Medical Billing & Coding
20 Months

Educational Objective: The Medical Billing & Coding program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Individuals in this field compile, process and maintain medical bills for physician’s offices and various medical facilities (i.e. nursing homes, medical equipment stores, etc.). They assign the proper ICD-10-CM diagnosis codes, CPT-4 procedure codes and HCPCS procedure codes using computer software so bills can be processed and payment is received in a timely manner. In addition, they are responsible to protect the security of the medical records in order to ensure confidentiality is maintained. This program prepares students for a position in physician’s offices performing billing and coding functions. Students will take courses in Medical Terminology, Anatomy & Physiology, Pathophysiology, Pharmacology, both Medical Law & Ethics and Medical Office Procedures, and Microsoft Office Word and Excel along with specialized courses in coding, electronic medical records, and computerized medical billing. Graduates are able to apply for positions with job titles such as: Billing Clerk, Billing Coordinator, and Coder.

For additional information, please visit: https://www.bls.gov/ooh/healthcare/medical-records-and-health-information-technicians.htm
https://www.onetonline.org/link/summary/29-2071.00

Credential Awarded: Graduates of this program will earn an occupational Associate Degree in Specialized Business.

Certification Available: Microsoft certification in Word

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Medical Office Administration
20 Months

Educational Objective: The Medical Office Administration program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The Medical Office Administration program is designed to develop advanced medical secretarial skills and a specialized knowledge of medical office procedures. Duties may include scheduling appointments, billing patients, and compiling and recording medical charts, reports, and correspondence. The course work includes basic preparatory courses in keyboarding and word processing along with the medical courses in Medical Terminology, Anatomy & Physiology, Medical Records Systems, Medical Office Procedures, Medical Law & Ethics, and Computerized Medical Billing. Graduates are able to apply for positions with job titles such as: Medical Office Assistant, Medical Secretary, Admission Coordinator, Unit Secretary, Unit Support Representative, Secretary, and Office Assistant.

This program is also available through Distance Education.
Network Administration & Security
20 Months

Educational Objective: The Network Administration & Security program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Network Administrators install, configure and support an organization’s local area network (LAN), wide area network (WAN), and Internet system or a segment of a network system. In addition, network administrators plan, coordinate and implement network security measures to protect data, software, and hardware and perform data backups and disaster recovery operations. Students will learn how to maintain network hardware and software as well as monitor the network and to perform necessary maintenance to support it. In addition, they will learn a variety of operating systems, including Windows, Linux, and MAC. Students will take courses in network infrastructure, wireless technology, network design, and IT support technology as well as computer repair & maintenance. Graduates are able to apply for positions with job titles such as: Network Administrator, Network Support Specialist, IT Consultant, Systems Administrator, Local Area Network Administrator, Network Specialist, Information Technology Specialist, Computer Technician, Computer Support Specialist, Computer Security Analyst, Information Security Analyst, and Data Security Administrator.

For more information, please visit:

Respiratory Therapy
20 Months

Educational Objective: The Respiratory Therapy program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Respiratory therapists care for patients of all ages, from premature babies with underdeveloped lungs to an elderly patient suffering from lung disease. They perform diagnostic testing, administer breathing treatments, set up mechanical ventilators, and consult with physicians on continuing care. Students in this program will take classes in a variety of areas including medical terminology, pathophysiology, pharmacology, critical care, and cardiopulmonary anatomy & physiology. Students will also learn to use specific equipment during the lab components of this program. Students in this program have clinical rotations with affiliated hospitals during their 2nd, 3rd, 4th, and 5th semesters. Although the program utilizes numerous clinical sites, learning experiences (didactic, laboratory and clinical) are equivalent for each student in the program. Certified graduates are able to apply for positions with job titles such as: Certified Respiratory Therapist, Registered Respiratory Therapist and Staff Respiratory Therapist.

For additional information, please visit: https://www.coarc.com

Credential Awarded: Graduates of this program will earn an occupational Associate Degree in Specialized Technology and are able to take the Therapist Multiple Choice (TMC) Exam and the Clinical Simulation (CSE) Exam through the National Board for Respiratory Care. Once the TMC Exam is passed, graduates can begin a career as a Certified Respiratory Therapist (CRT), then a Registered Respiratory Therapist (RRT) after the CSE is passed.

Certifications Available: BLS, ACLS, PALS, and NRP

Program Accreditation: This program is accredited by the Commission on Accreditation for Respiratory Care (CoARC), 1248 Harwood Road, Bedford, Texas, 76021-4244. For more information, you can reach them at 817-283-2835 or visit their website www.coarc.com.

Additional Admission Requirements: Potential candidates for the Respiratory Therapy program undergo a two-step interview process. Candidates first meet with an admission representative who is able to present a program overview. The second interview takes place with the Respiratory Therapy Program Director, who is able to provide a detailed description of the curriculum and clinical requirements and determine if the program is an appropriate fit for the candidate.

Job shadowing is another admission requirement of the Respiratory Therapy program. The admission representative schedules the candidate at a local hospital for a half day shift to observe the role of a Respiratory Therapist in the hospital setting. After the job shadowing experience, the candidate submits an essay to the Respiratory Therapy Program Director.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Private Licensed Schools and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in this catalog and on our website at http://laurel.edu/consumer-information.

Typical Course Schedule: This program is a total of 1,765 clock hours of training during 75 weeks for typical full-time students. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks. Clinical rotation hours vary based on shift and hospital affiliation agreement.

**Course Descriptions**
Clinical Medical Assistant
12 Months

Educational Objective: The Clinical Medical Assistant program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Clinical Medical Assistants perform administrative and clinical duties under the direction of a physician. Clinical duties may include taking and recording vital signs and medical histories, preparing patients for examination, drawing blood, and administering medications as directed by the physician. Administrative functions may include scheduling appointments, maintaining medical records, billing, and coding for insurance purposes. As part of this program, students will take courses in Medical Terminology, Anatomy & Physiology, Phlebotomy, Pathophysiology, Pharmacology, Medical Law & Ethics, Medical Billing, and Coding. In addition, three clinical courses that include learning and practicing a variety of hands on skills used to assist the physician are part of this program. Graduates are able to apply for positions with job titles such as: Medical Assistant, Certified Medical Assistant, Medical Office Assistant, Unit Clerk, and Medical Secretary/Medical Assistant.

For additional information, please visit: https://www.bls.gov/ooh/healthcare/medical-assistants.htm
https://www.onetonline.org/link/summary/31-9092.00

Credential Awarded: Graduates of this program will earn a diploma.

Certifications Available: Certified Medical Assistant, Phlebotomy, CPR, EKG and First Aid

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Cosmetology
12 Months

Educational Objective: The Cosmetology program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The Cosmetology program prepares the students for a position in a salon or spa. The comprehensive cosmetology curriculum covers a wide variety of skills including classes in hair styling, hair shaping, hair coloring, manicuring, skin care, and chemical services. Our licensed instructional staff teaches both theoretical and practical applications. Students will have the opportunity for supervised practice in the school’s full-service cosmetology clinic. Graduates are able to apply for positions with job titles such as: Cosmetologist, Hair Stylist, Hair Dresser, Nail Technician, and Assistant/Receptionist.

For additional information, please visit:
https://www.onetonline.org/link/summary/39-5012.00
https://www.dos.pa.gov/ProfessionalLicensing/BoardsCommissions/Cosmetology/Pages/default.aspx

Credential Awarded: Graduates of this program will earn a diploma and will also be able to sit for the Pennsylvania Cosmetologist licensing exam through the State Board of Cosmetology after completion of 1,250 hours of instruction AND successful completion of the Cosmetology program. Licensure is required in the Commonwealth of Pennsylvania.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. https://www.onetonline.org/link/summary/39-5092.00
https://www.dos.pa.gov/ProfessionalLicensing/BoardsCommissions/Cosmetology/Pages/default.aspx

**Credential Awarded:** Graduates of this program will earn a diploma and will be able to sit for the Nail Technician licensing exam through the State Board of Cosmetology after completion of 200 hours of instruction; and the Esthetician licensing exam after 300 hours of instruction AND successful completion of the Esthetics/Nail Technician program.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Cosmetology and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in the catalog and on our website at http://laurel.edu/consumer-information.

**Typical Course Schedule:** This program is a total of 600 clock hours of training during 30 weeks for typical full-time students and covers the Pennsylvania State Board curriculum requirements. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks.

Hair Styling (WV)
8 Months

Educational Objective: The Hair Styling program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The comprehensive hair stylist curriculum covers a wide variety of skills including classes in hair shaping, styling and coloring, wigs, braiding, hair additions, and chemical services. Our licensed instructional staff teaches both theoretical and practical applications. Students will have the opportunity to work for supervised practice in the school’s full-service cosmetology clinic. Graduates are able to apply for positions with job titles such as: Beautician, Cosmetologist, Hair Dresser, Hair Stylist, Hairdresser, Hairstylist, Manager Stylist, Master Cosmetologist, Stylist.

Credential Awarded: Graduates of this program will earn a diploma and will also be able to sit for the West Virginia State Board of Barbers and Cosmetologist after completion of 1,000 hours of instruction AND successful completion of the Hair Styling program. Licensure is required in the State of West Virginia.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the West Virginia State Board of Barbers and Cosmetologist and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in this catalog and on our website at http://laurel.edu/consumer-information.

Typical Course Schedule: This program is a total of 1,050 clock hours of training during 30 weeks for typical full-time students and covers the West Virginia State Board curriculum requirements. Classes can be held 9:00 am to 4:30 pm Monday through Friday with extended hours until 7:00 pm on Wednesdays and Thursdays including scheduled breaks.

Available at the West Virginia Satellite.
Massage Therapy
8 Months

Educational Objective: The Massage Therapy program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Massage therapists are employed by resorts, hotels and cruise lines; spas & salons; hospitals, chiropractic offices; health and fitness centers; and self-employed in private practice. Taught by licensed instructors, students will learn a wide variety of massage styles and modalities that include orthopedic and sports massage, spa therapies, and Eastern paradigms. Also included in the curriculum are courses in anatomy and physiology, kinesiology, pathophysiology, and practice management. In addition, students will have the opportunity for supervised practice in the school’s massage clinic. Students will be trained and certified in CPR and First Aid prior to graduation. Additionally, training in the state-required child abuse mandate reporting will be provided to students in this program. Graduates are able to apply for positions with job titles such as: Bodywork Therapist, Certified Massage Therapist (CMT), Clinical Massage Therapist, Integrated Deep Tissue Massage Therapist, Licensed Massage Practitioner (LMP), Licensed Massage Therapist, Massage Therapist, Medical Massage Therapist, Registered Massage Therapist, Therapeutic Massage Technician

For additional information, please visit:
https://www.bls.gov/ooh/healthcare/massage-therapists.htm
https://www.onetonline.org/link/summary/31-9011.00
https://www.dos.pa.gov/ProfessionalLicensing/BoardsCommissions/MassageTherapy/Pages/default.aspx
http://www.wvmassage.org/

Credential Awarded: Graduates of this program will earn a diploma and will also be able to sit for the Massage & Bodywork Licensing Examination (MBLEx), given by the Federation of State Massage Therapy Boards in order to apply for initial licensure. Licensure is required to practice in the Commonwealth of Pennsylvania and in the State of West Virginia.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Private Licensed Schools (PA), the West Virginia Massage Therapy Licensure Board (WV), and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure in this catalog and on our website at http://laurel.edu/consumer-information.

Typical Course Schedule: This program is a total of 750 clock hours during 30 weeks for typical full-time students. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks.

This program is measured in clock hours per USDE regulations for financial aid purposes.

Available at the Uniontown Campus and West Virginia Satellite.
Educational Objective: The Master Teacher of Cosmetology program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: The Master Teacher of Cosmetology program prepares students for positions as cosmetology instructors. These positions include Cosmetology Teacher, Limited Practice Nail Teacher, or a Limited Practice Esthetics Teacher, depending upon the current license the student holds. Students will take courses in communication, procedures and observation, instructional methodology & management, and salon management theory. Students will have the opportunity to work with current cosmetology students, under the supervision of an instructor and will have student teaching experience in several different classes. Graduates are able to apply for positions with job titles such as: Master Teacher of Cosmetology, Limited Practice Nail Teacher, Limited Practice Esthetics Teacher, Senior Stylist, Stylist, Salon Assistant Manager/Supervisor, and Cosmetology Teacher.

For additional information, please visit:
https://www.onetonline.org/link/summary/25-1194.00

Credential Awarded: Graduates of this program will earn a diploma and will be able to sit for the Teacher licensing exam as a Cosmetology Teacher, a Limited Practice Nail Teacher or a Limited Practice Esthetics Teacher. Students will be able to take the State Board of Cosmetology Instructor exam after completion of 500 hours of instruction, AND successful completion of the Master Teacher program through the State Board of Cosmetology.

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Cosmetology and the Accrediting Commission of Career Schools & Colleges.

Phlebotomy Technician
15 Weeks

Educational Objective: The Phlebotomy Technician program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

Program Overview: Phlebotomy Technician work in hospitals, blood drawing stations, physicians’ offices, research or other health care settings. Phlebotomy Technicians collect blood specimens for tests used in the detection, diagnosis and treatment of disease. Phlebotomy Technicians typically do the following: draw blood from patients and blood donors, talk with patients and donors so they are less nervous, verify a patient or donor’s identity to ensure proper labeling, label the drawn blood for testing or processing, enter patient information into an onsite database, and assemble and maintain medical instruments such as needles, test tubes, and vials. Graduates are able to apply for positions with job titles such as: Lab Assistant, Patient Service Technician, Phlebotomist, Medical Lab Assistant, Certified Phlebotomy Technician

For additional information, please visit:
https://www.bls.gov/ooh/healthcare/phlebotomists.htm
https://www.onetonline.org/link/summary/31-9097.00
https://www.nccinc.com/certifications/pt

Credential Awarded: Graduates of this program will earn a diploma and will be eligible to sit for the Phlebotomy Technician certification exam.

Certification: Certified Phlebotomy Technician

Laurel Business Institute has established a Program Advisory Committee to ensure that the curriculum is consistent with current job market trends and employer needs. Upon recommendation from this committee, Laurel Business Institute reserves the right to make program changes to better prepare our students for the job market. Changes are made with the approval of the Pennsylvania State Board of Private Licensed Schools and the Accrediting Commission of Career Schools & Colleges.

For more information about our graduation rates, the median debt of students who completed the program and other important information, please see Consumer Information Disclosure found in this catalog and on our website at http://laurel.edu/consumer-information.

Typical Course Schedule: This program is a total of 200 clock hours of training during 15 weeks for typical full-time students. Classes can be held Monday through Friday, from 8:00 am to 4:00 pm including scheduled breaks.

NOTE: This program is not eligible for financial aid.
**Welding & Fabrication with Pipeline Technology**  
**12 Months**

**Educational Objective:** The Welding & Fabrication with Pipeline Technology program is designed to provide the student with the knowledge and skills needed to apply for an entry-level position in this industry.

**Program Overview:** Courses in this program will provide training in welding procedures, blueprint reading, fabrication and layout. Additional instruction is provided in various processes and techniques of welding and fabrication skills. Laboratory activities also include oxyacetylene welding, brazing, and cutting; Shielded Metal Arc Welding (SMAW), MIG Welding (GMAW), Flux Cored Welding (FCAW), TIG welding (GTAW), Pipe welding, and certification test preparation per current industry standards, practices and techniques. Students will learn to use critical thinking and problem-solving skills, along with learning about judgment and decision-making. Graduates are able to apply for entry-level positions with job titles such as: Aluminum Welder, Fabrication Welder, Fabricator, Fitter/Welder, Maintenance Welder, Mig Welder, Sub Arc Operator, Welder, Welder-Fitter, Welder/Fabricator, Assembly Line Brazer, Brazer, Connector, Electronic Technician, Fabricator, Production Technician, Refrigeration Brazer/Solderer, Refrigeration Specialist, Solderer, Wire

COURSE DESCRIPTIONS

Course descriptions are subject to change without prior notification. For every hour of classroom instruction, students should expect to devote two hours of preparation outside of class. Specific outside work assignments can be found on the course syllabus provided to the student on the first day of each course.

3D Modeling Design & Development NAS163 - 2 credits
This course offers a practical, interactive and systematic approach to designing, creating and printing 3D objects. Students will learn to design objects, refine and test their designs and automate production using PowerShell scripting. Prerequisite: 131 Introduction to Computers

Accounting I ACC127 - 3 credits
This course introduces the student to the principles of accounting, including debits and credits, journals and ledgers, adjustments and worksheets, balance sheets, statements of owner’s equity, and income statements. Focus will be placed on the accounting practices utilized by a merchandising enterprise. Prerequisite: ACC127 Accounting I

Accounting II ACC172 - 3 credits
This course continues to build upon the basic principles learned in ACC127 Accounting I. The student will be introduced to payroll records, special-purpose journals, and subsidiary ledgers. This course focuses on the accounting practices utilized by a service-type business.

Accounting III ACC227 – 5 credits
This course covers advanced principles of accounting. The topics introduced are recording and discounting notes receivable, accounting for bad debts, principles of inventory evaluation, depreciation depletion, valuation of tangible and intangible assets, and formation and liquidation of partnerships. A comprehensive problem on these topics is completed. Horizontal and Vertical Analysis and Statements of Cash Flows will also be covered. Prerequisite: ACC127 Accounting II

Adobe Acrobat CSA161 – 2 credits
This course is designed to introduce the essential skills needed to view, create, manipulate and manage files in Portable Document Format. The students will learn the skills to design and manage PDF’s through the use of Adobe Acrobat. Prerequisite: CMP113 Introduction to Computers

Advanced Coding MCD227 – 3 credits
This course is designed to expand the student’s knowledge of CPT-4 and ICD-10 medical coding in the physician-based setting, and to introduce a basic knowledge of hospital-based billing and coding. It will provide advanced concepts and coding principles. Advanced Coding will utilize knowledge of treatment, procedures, diagnosis, and medical record documentation to accurately assign correct coding for hospitals and physicians. Prerequisite: MCD177 Coding

Advanced Microsoft Excel CSA234 - 2 credits
This course continues the study of computerized spreadsheets using Microsoft® Excel. Advanced topics are covered which include sophisticated functions, creating templates, working with databases, consolidating data, analyzing data, macros, and collaborating with others. Prerequisite: CSA134 Microsoft Excel

Advanced Microsoft Word CSA231 - 2 credits
This course expands the student’s knowledge of Microsoft Word. The student will use advanced features of Word to enhance documents and presentation of text as well as organize text in documents. The student will learn valuable timesaving tips, learn how to add visual, eye-catching graphics, and master how to manage long documents. Prerequisite: CSA132 Microsoft Word

Advanced Network Administration NAS294 - 2 credits
This course will prepare students to install, configure, operate, and troubleshoot medium-size routed and switched networks. Prerequisites: NAS258 Network Operating Systems II and NAS239 Network Infrastructure

Advanced PLC Programming ELC213 - 4 credits
This course continues with the concepts taught in PLC Programming. Topics to be covered include programming timers and counters, data manipulation and math functions, word and file moves, sequencers, process control signals, scaling, function block diagram and structured text programming, sequential programming, communication networks, and troubleshooting. Prerequisite: ELC212 PLC Programming

Advanced Server Administration NAS279 - 4 credits
This course will provide instruction on how to install and configure the following servers: web, print, mail, and dedicated application servers. Prerequisites: NAS239 Network Infrastructure, NAS243 Windows Server Active Directory, & NAS258, NAS258 Network Operating Systems II

Advanced Techniques COS279 – 60 clock hours
This course is designed to provide the student with the knowledge needed to perform various hair shaping, hair coloring and hair styling techniques. The course will cover a variety of services, including men’s hair cutting with beards, black textured hair, the wedge-weight line, the pixie, tension cutting, and corrective cutting followed by variations of hair coloring applications including hair lightening and foil placement techniques. Styling will also be included in this course to create the finished look following the hair shaping and hair coloring.

Applied Psychology PSY159 – 2 credits
This general education course is a social science course that explores classic psychological principles as they apply to life and work. Students will be presented with strategies to handle challenges they will face in their personal and professional lives. Students are provided a framework for exploring many issues related to human development within the context of everyday situations.

Anatomy & Physiology MED122 - 5 credits
The student will become acquainted with anatomical structures and their corresponding body functions. The major body systems will be studied in depth. The corresponding disease process for the common bodily malfunctions of each system will be included. Actual case situations will be discussed to facilitate application principles.
Anatomy & Physiology MST122 – 60 clock hours
The student will become acquainted with anatomical structures and corresponding body functions. All major body systems will be studied in depth, and reference to bodily malfunction and corresponding disease process for each system will be included. Actual case situations will be discussed to facilitate application principles.

Applied Finance GEN174 - 3 credits – 45 clock hours
This general education course provides students with an active approach to developing successful financial skills with an emphasis on goal setting, financial record keeping, planning your approach to developing successful financial skills with an active approach to developing successful financial skills, purchasing insurance, selecting investments, and retirement and estate planning.

Applied Math I MAT170 - 3 credits – 45 clock hours
This course will explore practical mathematics through a detailed examination of practical applications. The students will develop the skills necessary for problem solving.

Applied Math II MAT270 - 3 credits
The goal of this course is to provide students with an understanding of the more complex mathematical concepts used in business situations. These concepts include markups and markdowns, inventory, property taxes, simple and compound interest, using credit, and depreciation. Mastery of the electronic calculator will be covered. Prerequisite: MAT170 Applied Math

Blueprint Reading ELC102 - 2 credits
This course will cover the basic principles of industrial print reading. Topics to be covered will include interpreting dimensional drawings and schematics including welding schematics, locating key parts and components in drawings, and developing an understanding of single-line drawings, pictorial diagrams, schematic diagrams, and ladder diagrams.

Blueprint Reading WFP104 - 2 credits
This course will introduce students to the study of industrial blueprints. Emphasis is place on terminology, symbols, graphics descriptions, and welding processes, including systems of measurements and industry standards, interpretations of plans and drawings used by industry.

Business Law BUS160 - 3 credits
This course discusses business law and legal systems, contracts, business organizations and regulations, employment law, intellectual property and conducting business in cyberspace.

Business Organization & Management BUS153 - 3 credits
This course is designed to introduce the student to current theories and practices related to business administration and entrepreneurship. Discussion will cover critical areas including fundamentals of business, ethics, business systems and structures, developing a small business, accounting and marketing, products and distribution and management functions.

Business Plan Development BUS253 – 2 credits
This course is designed to be a capstone course for students in the Accounting and Business Administration program at LBI and the Business Administration program at LBI. Students will be exposed to all aspects of a business plan including an executive summary, staff requirements, operations, marketing, and financials. Students will also research funding sources including the Small Business Association. Students will work with the instructor over the course of the semester to research, develop, and prepare an introductory business plan.

Cardiopulmonary Anatomy & Physiology RES222 - 3 credits
This course is designed to build on Anatomy and Physiology with an emphasis on the cardiopulmonary system. Topics to be discussed include the process of ventilation, oxygen transport, the cardiovascular and renal systems, and how they relate to cardiopulmonary anatomy and physiology. Prerequisites: MED121 Medical Terminology, MED122 Anatomy and Physiology, and MAT171 Introductory Algebra

Career Development EMP291 - 2 credits
This course is designed to provide the graduating student with information, instruction, and practice in job exploration, career planning, and job search techniques. The student will receive instruction about employment applications, cover letters, resumes, and use of the Internet for online job searches. In addition, emphasis will be placed on the development of effective interview skills through classroom practice and role-playing. To complete the course requirements, each student will participate in a one-on-one interview.

Career Development EMP111 – 25 hours
This course is intended to provide the graduating student with information, instruction, and practice in job exploration, career planning, and job search techniques. The student will receive instruction about employment applications, cover letters, resumes, and use of the Internet for online job searches. In addition, emphasis will be placed on the development of effective interview skills through classroom practice and role-playing.

Certification Prep MED289 - 1 credit
This course will prepare clinical medical assistant students to take the medical assistant certification test.

Certification Prep MST221 – 30 clock hours
This course is designed to prepare the student for the MBLex test given by the Federation of State Massage Therapy Boards. This course will be a review of the student’s education as well as guidance in taking the test, what would be the best answers, and the process by which those answers are chosen. Prerequisites: MST112 Essentials of Massage and Bodywork, MST113 Professional Development & Ethics, MST122 Anatomy & Physiology, and MST123 Kinesiology

Certification Prep MED289 - 1 credit
This course will prepare clinical medical assistant students to take the medical assistant certification test.

Certification Prep I NAS260 - 2 credits
This course is designed to assist students in preparing for a variety of information technology certification examinations. The course will review for the following exams: CompTIA A+ Service Technician Exam for Certified Professionals Exam.

Certification Prep II NAS266 - 2 credits
This course is designed to assist students in preparing for their information technology certification examination. The course will review for the following exams: CompTIA Network + Certified Professionals Exam.
Chemical Texture Services COS122 – 60 clock hours
This course is designed to provide the student with the knowledge needed to perform a chemical texture service. The course will cover a variety of topics, including the history of permanent waving, professional terminology, the chemical reactions of solutions and neutralizers; various perm wraps, and testing procedures.

Chemical Texture Services CWV122 - 60 clock hours
This course is designed to provide the student with the knowledge needed to perform a chemical texture service. The course will cover a variety of topics, such as the structure of hair which will include the basic building blocks of hair, types of rods, end wraps and sectioning, professional terminology, the chemistry of permanent waves including chemical reactions of solutions and neutralizers, various perm wraps and testing procedures. This course will also provide students with the basic knowledge of chemical hair relaxers including thio relaxers, hydroxide relaxers, lye-based and no lye-based relaxers, strand testing, and hair treatments that are needed after chemical texturizing services.

Child Care Management ECE293 – 3 credits
This course is designed to provide the student with the knowledge needed to operate an early childhood center. This course will cover a variety of topics, including responsibilities of a director, different types of programs, developing goals and planning programs, human resource development, parent involvement and public relations. Prerequisite: ECE102 Child Growth & Development

Child Growth & Development ECE102 – 6 credits
This course focuses on aspects of child growth and development that are particularly relevant to people who will be involved with children and their parents as a childcare professional. This course will incorporate the theories of Piaget, Vygotsky, Erickson, and Bronfenbrenner as well as other early childhood theorists. The comprehensive coverage of physical, intellectual, emotional, and social development of children at various ages and stages is covered. This class will place special emphasis on child development at five broad stages based on age as follows: Prenatal Development – first stage of development; Infancy – children from birth to 1 year; Toddlerhood – Children from 1 to 3 years; The Preschool Years – Children from 3 to 5 years; The School Years – Children from 6 to 8 years.

Inclusive Early Childhood Education ECE239 – 4 credits
This course is designed to introduce the students to the issues of evaluating and working with children with special needs. Topics to be covered will include an overview of early childhood special education, identifying and assessing young children with special needs, and planning and organizing educational programs. Prerequisite: ECE102 Child Growth & Development

Clinic I COS283 – 195 clock hours
This course is designed to provide the student with the knowledge to operate in a salon atmosphere. The course will cover a variety of topics, including all hair, nail, and facial services dealing with cosmetology, product knowledge, professionalism, and salon retailing. All work will be done under the supervision of an instructor.

Clinic I MST283 – 100 clock hours
This course is designed to provide the student, under supervision, with the opportunity to perform one-hour Swedish massage sessions in the school’s clinic. Prerequisites: MST112 Essentials of Massage & Bodywork, MST 113 Professional Development & Ethics, MST122 Anatomy & Physiology, and MST123 Kinesiology

Clinic I CWV199 - 240 clock hours
This course is designed to provide the student with the knowledge to perform skills as a future professional of cosmetology in a salon atmosphere. The course will cover a variety of topics, including: all hair, services dealing with cosmetology, product knowledge, professionalism, and salon retailing. All work will be done under the supervision of a licensed instructor.

Clinic II COS293 – 225 clock hours
This course is designed to provide the student with the knowledge to operate in a salon atmosphere. The course will cover a variety of topics, including all hair, nail, and facial services dealing with cosmetology, product knowledge, professionalism, and salon retailing. All work will be done under the supervision of an instructor.

Clinic II CWV287 - 240 clock hours
This course is designed to provide the student with the knowledge to perform skills as a future professional in cosmetology in a salon atmosphere. The course will cover a variety of topics, including: all esthetics and skin care services and all nail technician services, product knowledge, professionalism, and salon retailing. In addition, students will also focus on aesthetics and skin care as well as nail technology as two additional skill areas. All work will be done under the supervision of a licensed instructor.

Clinic III CWV299 - 230 clock hours
This course is designed to provide the student with the advanced knowledge to operate in a salon atmosphere on a more independent level. The course will cover a variety of topics including Aesthetics and skin care services and all nail technology services, product knowledge, professionalism, and salon retailing. All work will be done under the supervision of a licensed instructor.
Clinical Application I RES175 - 2 credits
This course will prepare the student for the first clinical rotation with a lab component review of topics covered in RES101. The second half of Clinical Application I will introduce students to the hospital environment. Affiliations with local hospitals and healthcare entities will enable students to be exposed to and work directly with patients, respiratory therapists, and physicians. Prerequisite: MED121 Medical Terminology, MED122 Anatomy and Physiology and MAT171 Introductory Algebra

Clinical Application II RES210 - 4 credits
This course is a continuation of Clinical Application I and is designed to provide clinical application of laboratory and professional skills. Students will continue to be engaged in general technical and professional patient care, while gaining exposure to other specialties in healthcare. Prerequisites: RES101 Respiratory Therapy I, MED122 Anatomy and Physiology, RES175 Clinical Application I, and RES222 Cardiopulmonary Anatomy & Physiology

Clinical Application III RES233 - 4 credits
This course is a continuation of Clinical Application II and is designed to provide clinical application of laboratory and professional skills. Students will begin to focus on critical care through exposure to the adult intensive care while applying the concepts associated with blood gas, chest radiographs, and ventilator management. ACLS Certification will be obtained. Prerequisites: RES102 Critical Care I, RES201 Respiratory Therapy II, RES210 Clinical Application II, and RES220 Pathophysiology

Clinical Application IV RES241 - 4 credits
This course is a continuation of Clinical Application III and is designed to provide advanced laboratory practice and clinical application of technical and professional skills. Continued attention to critical care will be reinforced in addition to focused exposure in diagnostic procedures and specialty areas of respiratory care. Prerequisites: RES202 Critical Care II, RES231 Respiratory Therapy III and RES233 Clinical Application III

Clinical Diagnostic Procedures MED125 - 3 credits
This course is designed to expand the student’s knowledge and application of the clinical skills of the medical assistant and to coordinate closely with the internship program. This course includes an introduction to safety measures and regulatory requirements in the clinical laboratory, urinalysis, hematology, microbiology, serology concepts and procedures, physical therapy modalities, and the performance of electrocardiography. Students will also become certified in first aid and CPR.

Clinic Management MTC147 – 90 Hours
This course is designed to provide the student with the skills necessary to manage and supervise a school cosmetology clinic. Students will receive both classroom instruction and direct experience in managing and supervising a school clinic.

Clinical Office Operations MED124 - 6 credits
This course is designed to give the student more advanced clinical skills that are essential to becoming a medical assistant. These skills will include pharmacologic principles, injections, assisting with minor surgical procedures, sterile aseptic techniques, and documentation. The student will also complete a skills checklist during the semester.

Coding MCD177 – 5 credits
The focus of this course is to learn the coding rules for the CPT, ICD-9-CM, ICD-10-CM, and Level II (HCPCS) coding systems and then apply the rules to code patient services. In addition, a variety of payment systems will be presented. The medical topics of Medicare fraud/abuse, HMOs, and QIOs are also reviewed. Prerequisite: MED122 Anatomy & Physiology

Coding Essentials MCD157 – 2 credits
The focus of this course is to learn the coding rules for the CPT, ICD-10-CM, coding systems and then apply the rules to code patient services. In addition, a variety of payment systems will be presented. The medical topics of Medicare fraud/abuse are also reviewed. Prerequisite: MED122 Anatomy & Physiology

Commercial Wiring ELC122 – 5 credits
This course introduces students to installing electricity in a commercial building. Topics to be covered include: commercial electrical blueprints, branch circuits, lighting circuits, switch controls, circuit protection, motor loads, and special purpose receptacles. Prerequisite: ELC104 Electrical Studies II

Communications MTC151 – 60 clock hours
This course is designed to provide the student teacher with the knowledge and skills needed to communicate effectively in a classroom environment. The course will cover a variety of topics including effective presentations, effective questioning, effective listening skills, critical principles for correcting performance, appropriate student self-assessment, teamwork concepts & motivation, steps in team building, barriers to communication, and integrating humor into the classroom.

Computer Forensics and Investigation NAS233 - 2 credits
This course will introduce methods to conduct a computer forensics investigation properly. Topics will cover current and past operating systems and a range of computer hardware, along with how to equip computer forensics labs, current computer forensics tools, processing crime and incident scenes, recovering files, and email investigations. Prerequisites: NAS173 Computer Repair and Maintenance, NAS131 Introduction to Operating Systems

Computer Repair & Maintenance NAS173 - 4 credits
This course is designed to introduce the principles and procedures of PC upgrades and maintenance. Students will build, configure, and troubleshoot hardware and the desktop operating system. Topics will also include preventive maintenance, troubleshooting methods, command line, virus protection, and the importance of documenting hardware and software issues.

Computerized Accounting ACC273 - 2 credits
The course will focus on computerized accounting concepts using the popular QuickBooks® software. Upon completion of the course, students will be able to function proficiently using QuickBooks® to manage the financial affairs of service and merchandising businesses. Prerequisite: ACC172 Accounting II

Computerized Medical Billing MED216 - 3 credits
This course is designed to introduce the student to computerized patient billing, managing patient data with a computerized system, entering data, processing transactions and claims, and producing reports. A computer simulation using a patient accounting and scheduling program will be used throughout this course.
Cosmetology Science Theory COS121 – 45 clock hours
This course is designed to provide the student with the knowledge needed to practice the science of cosmetology safely. The course will cover a variety of subjects including infection control, bacteriology, anatomy and physiology, the various systems, and the basics of chemistry and electricity.

Cosmetology Science Theory I CWV121 - 120 Clock Hours
This course is designed to provide the student with the knowledge needed to practice the science of cosmetology safely. The course will cover a variety of subjects, including regulations and principles of prevention, universal precautions, infection control, and bacteriology. Also included in this course is anatomy and physiology that includes the various systems, skin structure, growth and nutrition, and skin disease and disorders as well as structures of the skin. Students will learn proper hand washing techniques and will learn to properly disinfect various tools and implements, including foot spas and basins.

Cosmetology Science Theory II CWV221 - 135 Clock Hours
This course will cover a variety of topics including: chemistry and electricity, electrical equipment safety and electrotherapy, as well as light energy and light therapy, chemical composition of the hair, properties of the hair and scalp, hair and scalp analysis, hair growth, hair loss, and disorders of the hair. Shampooing, and rinsing and conditioning techniques and applications will also be covered.

Cost Estimating ELC204 – 1 Credit
This course introduces students to electrical estimating. This course will give students a perspective of the value of their work. This course will provide students with a complete understanding of the estimating process. Prerequisite: ELC102 Blueprint Reading

Critical Care I RES102 - 3 credits
This course introduces the function and principles of operation for adult volume and pressure ventilators. High frequency ventilators and noninvasive ventilation will be reviewed. Concentration will be on specific controls, internal/external circuitry, monitoring systems and alarms. Prerequisites: RES219 Introduction to Pharmacology and RES222 Cardiopulmonary Anatomy & Physiology

Critical Care II RES202 - 3 credits
This course expands on the function and principles of operation of adult volume and pressure ventilators. Concentration will be on initial ventilator settings, ventilator settings for specific disease management, assessment of the mechanically ventilated patient and methods to improve ventilation and oxygenation. Principles of evaluating scientific literature will be discussed with a student case study research project. Prerequisites: RES102 Critical Care I and RES220 Pathophysiology

Customer Service EMP144 - 3 credits – 45 clock hours
This general education course will emphasize the skills necessary to interact effectively and appropriately with customers, whether face-to-face, on the telephone or in written documents. The student will learn to communicate effectively, handle difficult customer situations, solve and prevent problems, and minimize stress.

Deep Tissue Massage MST217 – 45 clock hours
This course instructs students on the correct way to perform a deep tissue massage. Deep tissue bodywork is a modality that can be used on problems such as postural dysfunctions, holding patterns, myofascial pathologies and adhesions. In this modality, the techniques used teach the students how to access the deeper stabilizing muscles while also treating the more superficial ones. Prerequisites: MST112 Essentials of Massage & Bodywork I, MST122 Anatomy & Physiology, and MST123 Kinesiology

Desktop Publishing CSA239 - 2 credits
This course emphasizes the use of the computer as a useful desktop publishing tool. Students will create various publications using Microsoft Publisher and Adobe Photoshop. Prerequisite: CSA132 Microsoft Word

Eastern Paradigm MST218 – 45 clock hours
This course teaches students basic beliefs and practices of Eastern Paradigm. Students are instructed in Shiatsu, Acupressure and other Eastern practices.

Economics BUS176 - 3 credits
This course will introduce students to the basics of economic concepts. Topics will include supply and demand, how businesses work within the economy, economic growth, business cycles, unemployment, and inflation, financial and labor markets, income distribution, and the economics of retirement and health care.

Electrical Distribution ELC206 – 3 credits
This course introduces students to electrical distribution systems in the electrical field. Topics to be covered include: residential services, commercial services, three phase services, distribution transformers and West Penn Power requirements. Prerequisite: ELC104 Electrical Studies II

Electrical Motors ELC124 - 3 credits
This course introduces students to electrical motors. Topics to be covered include: three-phase motors, single-phase motors, schematics and wiring diagrams, and motor installation. Prerequisite: ELC104 Electrical Studies II

Electrical Studies I ELC103 - 3 credits
This course introduces the student to the basics of electricity. Topics to be covered include atomic structure, Ohm’s Law, electrical sources, static charges, magnetism, and types of circuits, measuring instruments, and alternating currents.

Electrical Studies II ELC104 - 3 credits
This course continues with the concepts introduced in IET Electrical Studies I. Topics to be covered include capacitive loads, three-phase circuits, transformers, electrical services, receptacle and switch connections, and protection circuits. Prerequisite: ELC103 Electrical Studies I

Electrical Troubleshooting ELC215 – 2 credits
This course reinforces the students’ ability to trouble shoot electrical circuits. Residential, commercial and industrial troubleshooting will be covered. Prerequisite: ELC104 Electrical Studies II
**Electronic Medical Records MED225 - 3 credits**
This course is designed to introduce students to the current medical clerical occupations and the practices related to maintaining medical records, insurance billing, and legal concerns. Discussion will cover critical aspects of the duties and responsibilities of medical clerical workers to include assembly, analysis, and completion of medical records, numbering and filing methods, documentation, forms and release of information. Students will complete a manual medical records simulation, and also research and report on one critical aspect of medical records.

**Business English I ENG180 - 3 credits**
This general education course offers instruction in the principles of grammar, usage, and style. Study and practice direct the student toward developing efficient use of language.

**Business English II ENG208 - 3 credits**
This general education course focuses on basic writing including research and correspondence. Emphasis is placed upon composing effective sentences and paragraphs and directing communication toward purpose, subject and audience. **Prerequisite:** ENG180 Business English I

**Computerized Billing CMA216 – 2 credits**
This course is designed to introduce the student to computerized patient billing, managing patient data with a computerized system, entering data, processing transactions and claims, and producing reports.

**Essentials of Massage & Bodywork I MST112 – 90 clock hours**
This course introduces the student to the basic strokes, techniques and hands-on skills that are essential for proper table and body mechanics, basic Swedish massage, seated chair massage, reflexology, aromatherapy and the use of essential oils. Proper forms of touch and how to professionally approach the client through sensitivity and perceptivity training.

**Essentials of Massage & Bodywork II MST212 – 30 clock hours**
This class is designed to improve massage technique, use a variety of tools, and provide increased hands-on practice of massage therapy. The students will practice using sustained deep pressure throughout the massage as well as using acquired manual tools to provide needed pressure and benefits.

**Esthetics & Histology EST131 – 60 clock hours**
This course is designed to provide the student with the basic knowledge needed in esthetics, hair removal and makeup procedures. The course will cover a variety of services, including histology of the skin, hair removal, facials and facial massages, electrotherapy and light therapy facial treatments, machine facials, makeup artistry skills and state board procedures.

**Ethics Theory EST132 – 255 clock hours**
This course is designed to provide the student with the knowledge needed in esthetics, hair removal and makeup procedures. The course will cover a variety of services, including histology of the skin, hair removal, facials and facial massages, electrotherapy and light therapy facial treatments, machine facials, makeup artistry skills and state board procedures.

**Ethnic Hair Studies COS106 – 45 clock hours**
This course is designed to provide the student with the basic knowledge in thermal hair straightening and curling (press & curl). The course will cover a variety of services, including: the types of hair pressing, proper analysis of hair and scalp, proper cleaning of the pressing combs, the “true” Marcel iron, client record card, chemical hair relaxers, and soft curl permanents (curl re-forming). This course will also cover various types of corrows, adding and removing hair extensions, and assessing physical hair damage.

**Flux Cored Arc Welding WFP109 - 4 credits**
An overview of terminology, safety procedures, and equipment set-up. Practice in performing T-joints, lap joints, and butt joints using self-shielding and dual-shield electrodes. **Prerequisite:** WFP106 Gas Metal Arc Welding

**Gas Metal Arc Welding WFP106 - 7 credits**
This course introduces the student to the principles of gas metal arc welding, setup and use of Gas Metal Arc Welding (GMAW) equipment, and the safe use of tools/equipment. Students will also receive instruction in various joint designs. **Prerequisite:** WFP255 Shielded Metal Arc Welding III

**Gas Tungsten Arc Welding WFP112 - 7 credits**
Principles of gas tungsten arc welding (GTAW), including setup, GTAW equipment, and safe use of tools and equipment. Welding instruction done in various positions and joint designs. **Prerequisite:** WFP255 Shielded Metal Arc Welding III

**Positive Child Guidance ECE229 – 3 credits**
This course is designed to introduce the student to the concepts of self-discipline and self-control in children, with emphasis on effective guidance and discipline, solutions to problem behaviors and creating a cooperative, respectful community of children in an early childhood setting. **Prerequisite:** ECE102 Child Growth & Development

**Hair Coloring I COS105 – 60 clock hours**
This course is designed to provide the student with the basic knowledge of various hair coloring procedures. The course will cover a variety of topics, including color theory and hair facts, the level system and types of hair color, single process color, and double process color, special effects hair coloring, and special problems.

**Hair Coloring II COS205 – 45 clock hours**
This course is designed to provide the student with the basic knowledge of color formulation. The course will cover a variety of topics, including color evaluations, natural and desired levels, color wheel, neutralizing colors, level to base system, in-depth client consultations, de-colorization, seven stages of lightening, effects of artificial heat on bleach, corrective color and color removers.
Hair Coloring I CWV105 - 60 clock hours
This course is designed to provide the student with the basic knowledge of various hair-coloring procedures. The course will cover a variety of topics, including the law of color theory and hair facts, the level system, and types of hair color, single process color, and double process color, special effects hair coloring and special problems. Other procedures include client consultations, the hair color service record card, patch-testing, and preliminary strand testing.

Hair Coloring II CWV05 - 45 clock hours
This course is designed to provide the student with the basic knowledge to color formulation. The course will cover a variety of topics, including: color evaluations, natural and desired levels, color wheel, neutralizing colors, level to base system, in-depth client consultations, de-colorization, seven stages of lightening, effects of artificial heat on bleach, corrective color and color removers, utilization of toners, highlighting techniques including cap-frosting and various foiling techniques.

Hair Shaping I COS101 – 90 clock hours
This course is designed to provide the student with the basic knowledge in the principles of hair design, client consultation, professional terminology, and basic cutting techniques.

Hair Shaping II COS201 – 45 clock hours
This course is designed to provide the student with the knowledge needed to perform various hair shaping techniques. The course will cover a variety of services, including men's hair cutting, the bob, the bi-level haircut, the ponytail cut, asymmetrical cut, complete salon looks, various haircuts with the razor, thinning and blending shear techniques, and state board hair shaping services.

Hair Shaping I CWV102 – 60 Clock Hours
This course is designed to provide the student with the basic knowledge in the principles of hair shaping and basic cutting techniques. This will include client consultation, professional terminology, introduction of hair cutting tools, posture and body positioning essential to haircutting as well as safety in haircutting. Basic cuts will include the blunt cut (0 degree cut), a graduated haircut (45 degree cut), the uniform layered cut (90 degree cut), the long-layered cut (180 degree cut), as well as other various cutting techniques for each type of haircut. Knowledge of clippers and trimmers as well as men's basic clipper cutting will also be included in this course.

Hair Shaping II CWV202 - 45 Clock Hours
This course is designed to provide the student with the knowledge needed to perform various advanced hair shaping techniques. The course will cover a variety of services, including: men's hair cutting, the bob, the bi-level haircut, the ponytail cut, asymmetrical cut, complete salon looks, various haircuts with the razor, thinning and blending shear techniques, and state board hair shaping service. Other advanced techniques include Point-cutting, slithering and notch cutting to create texture within a haircut.

Hair Structure & Chemistry COS103 – 45 clock hours
This course is designed to provide the student with the basic knowledge needed in trichology, shampooing, rinsing and conditioning, and in scalp and hair.

Hair Styling I CWV103 - 45 clock hours
This course is designed to provide the student with the knowledge needed to accomplish various styling techniques. The course will cover a variety of topics, including client consultation, wet hairstyling basics, finger waves and pin curl applications to learn manual dexterity. Roller sets will be included as well as comb out techniques, blow-dry/styling and thermal styling techniques. Hair wrapping and thermal hair straightening (hair pressing) are also included in this course. The artistry of hairstyling along with styling of long hair and formal styling will also be an area of learning in this course.

Hair Styling II CWV203 - 60 clock hours
This course is designed to provide the student with the knowledge needed to accomplish various styling techniques. The course will cover a variety of topics, including long hair designs including wedding designs, hair twisting and knotting, as well as creating Avant Garde styles and trend styles while utilizing hair styling aides and accessories.

Hair Styling I COS102 – 90 clock hours
This course is designed to provide the student with the knowledge needed to accomplish various styling techniques. The course will cover a variety of topics, including finger waves and pin curls to learn manual dexterity, various wet setting techniques, the use of the blow dryer and curling iron, product knowledge, and the principles of hair design.

Hair Styling II COS202 – 45 clock hours
This course is designed to provide the student with the knowledge needed to accomplish various styling techniques. The course will cover a variety of topics, including principles of hair design, braiding and braid extensions, wigs and wig enhancements, long hair designs including hair twisting and knotting and using hair styling aides and accessories.

Hair Stylist Clinic CWV289 - 210 clock hours
This course is designed to provide the student with the advanced knowledge to operate in a salon atmosphere on a more independent level. The course will cover a variety of topics including product knowledge, professionalism, and salon retailing. All work will be done under the supervision of a licensed instructor.

Hazardous Locations ELC203 – 1 credit
This course introduces the student to hazardous locations as defined by the National Electric Code (NEC). Students will learn to navigate and interpret the NEC article 500. Students will learn to install electrical equipment in classified locations correctly.

Prerequisite: ELC104 Electrical Studies II

Health, Nutrition & Safety for Children ECE193 - 3 credits
This course is designed to provide the basic concepts of health, nutrition, and safety while caring for young children. Concepts include how to prevent accidents, administer basic first aid, and monitor basic health and nutrition of young children. Completion of an infant/child CPR course is a requirement of this course.

Human Resources Management BUS156 - 3 credits
This course is designed to provide students with knowledge of current human resource management topics. Areas covered will include ethical, social and legal considerations, staffing, human
resource development, compensation and benefits, safety and health, employee and labor relations.

**Industrial Automation Controls ELC214 - 3 credits**
This course introduces the student to the solid-state devices common in an industrial environment. It will cover how many of the control components operate, including solid-state relays, rectifiers, SCR drives for direct current motors, variable frequency drives for alternating current motors, and the inputs and outputs of programmable controllers. **Prerequisite: ELC104 Electrical Studies II**

**Industrial Wiring I ELC205 – 3 credits**
This course introduces students to electrical systems in the industrial environment. Topics to be covered include: site plans, power distribution, signaling systems, motor controls and motor installation. **Prerequisite: ELC104 Electrical Studies II**

**Industrial Wiring II ELC211 – 3 credits**
This course continues educating students on electrical systems in the industrial environment. Topics to be covered include: power factor, ventilation, system protection, lightning protection, site lighting, basic programmable logic controllers, fiber optics, hazardous locations, and harmonics. **Prerequisite: ELC205**

**Industrial Automation Controls ELC214 - 3 credits**
This course introduces the student to the solid-state devices common in an industrial environment. It will cover how many of the control components operate, including solid-state relays, rectifiers, SCR drives for direct current motors, variable frequency drives for alternating current motors, and the inputs and outputs of programmable controllers. **Prerequisite: ELC104 Electrical Studies II**

**Industrial Wiring I ELC205 – 3 credits**
This course introduces students to electrical systems in the industrial environment. Topics to be covered include: site plans, power distribution, signaling systems, motor controls and motor installation. **Prerequisite: ELC104 Electrical Studies II**

**Industrial Wiring II ELC211 – 3 credits**
This course continues educating students on electrical systems in the industrial environment. Topics to be covered include: power factor, ventilation, system protection, lightning protection, site lighting, basic programmable logic controllers, fiber optics, hazardous locations, and harmonics. **Prerequisite: ELC205**

**Industrial Wiring I**

**Instructional Management MTC155 – 60 clock hours**
This course is designed to provide the student with the skills necessary to run an effective classroom. Topics to be covered will include classroom management and supervision, program development and review, lesson planning, assessing student progress, advising students, and retaining students.

**Instructional Methodology MTC156 – 60 clock hours**
This course will introduce the student to curriculum development and instruction. The following topics will be covered: teaching plans and learning environments, basic learning styles, methods of teaching, study and test-taking techniques, educational technology, and achieving learner results.

**Internship Prep EMP152 - 1 credit**
This course provides support for students as they prepare for entering an internship. The course will involve having students investigate potential internship prospects, professional associations within their field, create job descriptions, and update resumes. By the completion of the course, students will have selected and secured an internship placement as well as developed an understanding of skills needed for a successful internship experience.

**Introduction to Computers CMP113 - 2 credits**
This general education course provides students with knowledge and skills needed to operate a computer with Microsoft Windows system software. It includes explanations of hardware, and hands-on skills for using Microsoft Windows, Microsoft Word, Microsoft Excel, and Microsoft PowerPoint.

**Introduction to Early Childhood Education ECE124 – 3 credits**
This course is designed to provide the student with an overview of early childhood education and introduce many of the topics they will cover in depth throughout the program. It will identify some of the important changes taking place in early childhood education today. It will introduce the student to important aspects in the field, such as becoming a child care professional, current issues in early childhood, various programs and models in early childhood education, understanding standards in education, and the importance of building partnerships with parents, families and the community. Students will complete a 10-hour field experience as part of this course.

**Introduction to Networks NAS138 - 3 credits**
This course offers a practical, systematic look at networking components, how they fit together, and what they can mean to your business. Students will be introduced to the basic concepts of data communication and computer networks. Other topics include network hardware, protocols and standards, network topologies, cabling, servers, workstations, and client software.

**Introduction to Operating Systems NAS131 – 3 credits**
This course introduces the student to the various desktop and network operating systems. Topics will include LINUX, Mac, Windows 7, Windows 8/8.1, Windows 10, and Windows Server Operating Systems.

**Introduction to Pharmacy PHA104 - 4 credits**
In this course, all aspects of pharmacy administration will be presented including purchasing, computer technology, ambulatory care pharmacy practice, receiving and checking orders, storing drugs, pricing, reordering, maintaining inventory control, returning merchandise, stocking procedures and handling outdated items. Hospital records of all types are discussed with emphasis on pharmacy stock and narcotic disposal. This course also covers the use of many forms used in the pharmacy including Universal Third-Party Claims Forms, industrial claims and patient profiles.
**Introduction to the Internet CMP135 - 1 credit**
This course introduces the student to the growing variety of services and information on the World Wide Web. Gmail is used to send and receive e-mail, organize schedules and events, and maintain contact lists. The students will have an understanding of searching for information attained through projects. No previous background with the Internet is necessary, but familiarity with Microsoft® Windows® is necessary and the responsibility of each student.

**Introduction to the NEC ELC105 – 2 credits**
This course introduces students to the NFPA 70 National Electrical Code (NEC). Students will learn to navigate and interpret the NEC. Students will use the NEC to install electrical equipment correctly.

**Introduction to Trades ELC101 - 2 credits**
This course provides the student with an introduction to trade careers and safety practices, an introduction to hand and power tools, and fasteners. Topics will include OSHA and the Hazardous Communication Act, material safety data sheets (MSDS), shop operations, and types of hand and power tools, and types and grades of fasteners.

**Introduction to Welding WFP102 - 4 credits**
This course provides the student with an introduction to welding careers and safety practices, including welding safety; OSHA and the Hazardous Communication Act; Material Safety Data Sheets (MSDS); basic mathematics; measuring systems; shop operations; use and care of precision measuring tools; and the use and care of hand and power tools. Topics also includes instruction on various types of welding equipment and processes, basic welding gases, fluxes, rods, electrodes, and symbols.

**Introductory Algebra MAT171 - 3 credits**
The goal of this general education course is to provide students with an understanding of basic algebraic concepts so that they are proficient in manipulating and solving the equations they may encounter in the workplace.

**IT Support Technology NAS167 - 2 credits**
The purpose of this course is to provide students with a broad understanding of the help desk and support services. Topics will include asset management, inventory control, and resolving PC problems in three categories: hardware, software, and internet/networking. This course is also designed to allow students to utilize various web sites to resolve hardware and software problems. **Prerequisite: NAS173 Computer Repair & Maintenance**

**Keyboarding I CMP101 - 2 credits**
The course emphasizes the development of correct techniques in keyboarding. Specific standards of speed and accuracy are required.

**Keyboarding II CMP201 – 1 credit**
This course emphasizes the building of speed and accuracy necessary for document production capability. **Prerequisite: CMP101 Keyboarding I**

**Kinesiology MST123 – 60 clock hours**
This course will enable the massage therapist to realize the importance of muscle function as it is related to the field of massage therapy. Students will be able to recognize different types of muscle interactions. Students will have an understanding of the different joints of the human anatomy, and learn the muscles of the body including location, purpose, possible actions, nerve intervention, and common disorders of each group.

**Language Arts for Early Childhood ECE197 – 3 credits**
This course is intended to provide the student with an understanding of the acquisition of language and emerging literacy skills in children. It will equip the student with the skills needed to develop an opportunity-rich program that provides interesting and developmentally appropriate language arts activities. The student will plan and implement language arts lessons/activities. **Prerequisite: ECE102 Child Growth & Development**

**Layout and Fabrication WFP110 - 5 credits**
A fundamental course in layout and fabrication related to the welding industry. Major emphasis will be on structural shapes and uses in construction. **Prerequisite: WFP104 Blueprint Reading**

**Legal Office Procedures BUS209 – 2 credits**
This course deals with office procedures, accounting, document preparation, and file management in the legal office setting. Various legal documents will be prepared including those related to estate planning, complaint and summons, real estate, discovery, criminal defenses, trial, corporate, and appellate action. This will include various related projects and transcriptions. **Prerequisite: CSA132 Microsoft Word**

**Local Area Networks NAS183 - 2 credits**
This course is a continuation of NAS138 Introduction to Networks. Students will learn about designing, installing, maintaining, and administering networks using a variety of operating systems, including Windows7, MAC, and Linux. Other topics will include TCP/IP, and network security to ensure the reliability and security of your home or business network. **Prerequisite: NAS138 Introduction to Networks**

**Low Voltage Wiring ELC123 – 2 credits**
This course reinforces introduces students to the functional basis of various low voltage systems and their connecting devices. Students will be introduced to audio, video, security, fire alarm and other common low voltage systems. **Prerequisite: ELC104 Electrical Studies II**

**Manicuring NTS111 – 105 clock hours**
This course is designed to provide the student with the advanced knowledge in manicuring, pedicuring, and nail design procedures. The course will cover a variety of topics and services including salon conduct, sanitation and disinfection, infection control, nail structure and growth, nail diseases and disorders, manicuring, pedicuring, and advanced nail techniques. **Prerequisite: ELC104 Electrical Studies II**

**Marketing BUS143 - 3 credits**
This course is designed to introduce the student to the field of marketing, which consists of planning and executing the conceptions, pricing, promotion, and distribution of ideas, goods, and services to create exchanges that satisfy individual and organizational objectives.
Math & Science for ECE ECE19B – 3 credits
This course is designed to provide the student with the underpinning knowledge required to create an environment rich with opportunities to support mathematical and science development in the early years. Emphasis will be placed on providing developmentally appropriate activities and materials, as well as an abundance of hands-on experiences to support children's mathematical development. Prerequisite: ECE102 Child Growth & Development

Medical Law & Ethics MED204 – 2 credits
This course will enable students to develop an understanding of the legal, ethical, and moral implications of working in a medical setting. The role of the allied healthcare professional will be emphasized.

Medical Law & Ethics for Health Professionals CMA104 – 1 credit
This course will enable students to develop an understanding of the legal, ethical, and moral implications of working in a medical setting. The role of the allied healthcare professional will be emphasized.

Medical Office Procedures MED222 - 3 credits
This course familiarizes the student with the fundamentals of using Windows-based medical office management software for appointment scheduling, procedure posting, medical billing, payment posting, patient billing, patient collections, and insurance tracking and follow-up.

Medical Terminology MED121 - 3 credits
This course will acquaint the student with skills in word analysis and word building, pronunciation, and spelling along with word recognition and the accurate application of work elements as related to the language of medicine. Basic human anatomy and physiology are presented when applicable to refine the student's understanding of the appropriate medical terms

Microsoft Access CSA265 - 2 credits
This course is designed to introduce the student to Microsoft Access. The student will design a database file, input records, edit, organize, conduct queries, and prepare various reports.

Microsoft Excel CSA134 - 2 credits
This course is designed to teach students about electronic spreadsheets using Microsoft Excel. Creating, designing, formatting, managing, charting, and printing spreadsheets are covered.

Microsoft PowerPoint CSA135 - 2 credits
This course will introduce the student to Microsoft PowerPoint. Topics will include creating a Microsoft PowerPoint presentation using themes and templates, animated graphics and sound, WordArt, graphs, organizational charts, slide layouts, speaker notes, handouts, and presentation delivery.

Microsoft Word CSA132 - 2 credits
This course introduces the basic theories and practical applications of Microsoft Word. The student will learn to prepare and enhance the appearance of various length documents. Features covered include formatting, editing, writing tools, fonts, headers and footers, find and replace, tables, and mail merge.
Network Operating Systems II NAS258 - 4 credits
This course will introduce the students to Microsoft Windows Active Directory and prepare them to plan, configure, and administer the Active Directory infrastructure. Students will also utilize Active Directory to centrally manage users, groups, shared folders, network resources, and administer the user environment with group policies. Prerequisite: NAS173 Computer Repair & Maintenance

Network Security and Disaster Recovery NAS238 - 2 credits
This course will take an in-depth look at network security concepts and techniques. We will examine theoretical concepts that make the world of security unique. The course will adopt a practical, hands-on approach when examining networking security techniques. Topics will include securing the network infrastructure, web security, protecting advanced communication, developing policies and procedures, and risk analysis. Prerequisite: NAS183 Local Area Networks

Observation & Assessment ECE297 – 3 credits
This course is designed to teach observation and evaluation techniques to students in early childhood education. The course will cover various types of assessment tools including anecdotal records, checklists, time sample, rating scales, program assessments, portfolios, performance tasks, child study, and more. Students will complete a 30-hour field experience during which they will carry out a variety of observations that they learned about in class. Prerequisite: ECE102 Child Growth & Development

Office Technology BUS207 - 3 credits
This course prepares students for the actual procedures followed in most business offices and trains them to perform office duties in a professional manner with an emphasis given to the development of positive human relations skills. After mastering the filing rules as outlined by the Association of Records Managers and Administrators (ARMA), the students further refine their skills in proofreading, editing, and formatting business forms. Prerequisite: CSA132 Microsoft Word

Orthopedic Massage MST215 – 45 clock hours
This course educates students to be knowledgeable and caring practitioners who can identify and treat musculoskeletal dysfunction through viewing and hands-on palpation. Prerequisites: MST122Anatomy & Physiology, MST123 Kinesiology, and MST112 Essentials of Massage & Bodywork

Parent & Community Involvement ECE199 – 3 credits
This course is designed to provide a thorough understanding of the importance of building solid partnerships with families and the community in order to maximize children’s potential for growth and development. It will cover a variety of topics, such as the importance of communication with parents, encouraging parents to provide meaningful educational experiences at home, building a successful program for family involvement in early year’s settings, designing a family education workshop, building links and discovering resources within the community. Prerequisite: ECE102 Child Growth & Development

Pathophysiology MED220 - 3 credits
This course is designed to provide the student with advanced knowledge of clinical medicine, and with specific understanding of disease processes, signs and symptoms, diagnosis, treatment, prognosis and prevention. This study includes pediatric, adult, and geriatric patients. The student will also gain understanding of corresponding diagnostic tests and drugs that relate to each system. Prerequisites: MED121 Medical Terminology and MED122 Anatomy & Physiology

Pathophysiology MST220 – 45 clock hours
This course is designed to provide the student with advanced knowledge of clinical medicine, and with specific understanding of disease processes, signs and symptoms, diagnosis, treatment, prognosis and prevention. This study includes pediatric, adult, and geriatric patients. The student will also gain understanding of corresponding tests and drugs that relate to each system. Prerequisite: MST122 Anatomy & Physiology

Pathophysiology RES220 - 3 credits
This course is designed to provide the student with advanced knowledge of clinical medicine and with specific understanding of disease processes, signs and symptoms, diagnosis, treatment, prognosis and prevention. It will aid the student in the ability to explain disease processes to patients and other healthcare professionals. Prerequisites: RES219 Introduction to Pharmacology and RES222 Cardiopulmonary Anatomy & Physiology

Patient Assessment MED123 - 6 credits
This course is designed to prepare the student in basic clinical skills essential to becoming a medical assistant. These skills will include physical exam preparation, vital sign measurements, medical asepsis and infection control procedures, as well as an introduction to medical assisting, health history, and communication techniques.

Payroll ACC274 - 3 credits
This course is designed to provide the student with instruction and practical application of the various laws, regulations, and forms required by the Federal Government in regard to payroll accounting. The student will calculate regular and overtime rates, gross and net earnings, OASDI and HI tax, FIT, SUTA, W- 4, W2, W3 transmittal, SS-4, 1099-Misc, Form 940 and 941, and voluntary deductions. The student will prepare payroll registers and employee earnings records as well as record and pay payroll taxes. Prerequisite: ACC127 Accounting I

Personal & Professional Conduct MTC259 – 60 clock hours
This course is designed to provide the student teacher with the knowledge to develop skills necessary to function successfully as a master educator. The course will cover a variety of topics including the profile of a master educator, educator relationships, professional, performance evaluations, personal image and self-promotion, role playing and preparing for licensure and employment.
This course is designed to introduce the student to the proper pronunciation, spelling, and basic pharmacological use of commonly prescribed medications. Review of approved medical abbreviations as well as interpretation of prescriptions will be utilized for theory application. Introduction of these drugs will be based on various body systems categorically. **Prerequisites:** MED121 Medical Terminology and MED122 Anatomy & Physiology

### Pharmaceutics CMA210 – 2 credits

This course is designed to provide the student with advanced knowledge of clinical medicine and with specific understanding of disease processes, signs and symptoms, diagnosis, treatment, prognosis and prevention. It will aid the student in the ability to explain disease processes to patients and other health care professionals. **Prerequisites:** MED121 Medical Terminology and MED122 Anatomy & Physiology

### Pharmacy Calculations PHA170 - 4 credits

This course will introduce the student to basic mathematics, such as decimals, calculating percentages, adding/subtracting/multiplying/diving fractions. Roman Numerals, the Metric System, the Apothecary System, the Avoirdupois System, the Household System and the Apothecary System will be presented and the student will learn how to convert between these systems along with converting temperatures between the Fahrenheit system and the Celsius system. Average Wholesale Price, Actual Acquisition Cost, and calculating profit will also be presented.

### Pharmacy Law and Ethics PHA103- 2 credits

This course reviews the laws affecting pharmacy practice. Course highlights include the Food, Drug and Cosmetic Act, Federal and State Controlled Substance Acts, applicable PA laws related to pharmacies and pharmacy professionals and HIPPA laws and their impact on the pharmacy practice. Ethical behavior and professional conduct for pharmacy technicians is emphasized.

### Pharmacy Mathematics PHA170 - 4 credits

This course will introduce the student to basic mathematics, such as decimals, calculating percentages, adding/subtracting/multiplying/diving fractions. Roman Numerals, the Metric System, the Apothecary System, the Avoirdupois System will be presented and the student will learn how to convert between these systems along with converting temperatures between the Fahrenheit system and the Celsius system. Average Wholesale Price, Actual Acquisition Cost, and calculating profit will also be presented.

### Pharmacy Operations PHA202- 5 credits

Students receive an overview of the U.S. health care system and gain an understanding of how the pharmacy technician fits into the network of health care professionals including physicians, nurses, and pharmacists. Students learn the role of the pharmacy technician in the long-term care setting, home health care setting, the mail-order pharmacy setting, the nuclear pharmacy setting, hospice pharmacy settings and the federal pharmacy settings. The drug approval process is over-viewed, drug manufacturing and marketing are presented, and students learn how the role of a pharmacy technician fits into the overall pharmaceutical industry.

### Phlebotomy PHL212 – 100 clock hours

This course will provide a complete introduction to the practice of phlebotomy in all its aspects. Students will be exposed to the medical terminology and anatomy and physiology necessary to be a phlebotomist. With an emphasis on specimen collection and handling, the course offers a comprehensive approach to the many situations encountered by the phlebotomist. This course will also explore the various departments and testing that occur within the clinical laboratory, as well as legal and professional issues. Labs and skills practice are included in this course.

### Phlebotomy PHL122 - 3 credits

This course will enable the student to become knowledgeable about the functions of the clinical laboratory and the phlebotomist. Students will be exposed to the terminology and the anatomy and physiology necessary to be a phlebotomist and will also have hands-on experience in phlebotomy techniques. This course will also explore the various departments and testing that occur within the clinical laboratory.
**Phlebotomy Clinical PHL221 – 75 clock hours**

Clinical Internship is designed to provide phlebotomy students with supervised clinical phlebotomy experience in the work environment to acquire career-entry technical and professional skills. Students will participate in collection and transport of patient specimens while practicing safe clinical practices in an accredited laboratory. Students will be required to document the number of successful blood collections as a graduation requirement. Students must complete and submit the clinical requirements listed on the Statement of Understanding prior to the fourth week of PHL121 to be scheduled for PH221. Students not doing so will be out of rotation for this course and will have to wait until space is available to complete. **Prerequisite: PHL121 Phlebotomy**

**Pipe Welding I WFP111 - 5 credits**

An Introduction to welding of pipe using the shielded metal arc welding process (SMAW), including electrode selection, equipment setup, and safe shop practices. Emphasis on weld positions 2G, 5G and 6G using various electrodes. **Prerequisite: WFP255 Shielded Metal Arc Welding III**

**Pipe Welding II WFP211 - 4 credits**

A comprehensive course on the welding of pipe using the shielded metal arc welding (SMAW) process. Welding will be done using various positions with emphasis on weld positions 5G and 6G using various electrodes. Topics covered include electrodes selection, equipment setup and safe shop practices. **Prerequisite: WFP111 Pipe Welding I**

**PLC Programming ELC212 - 4 credits**

This course will introduce students to programmable logic controllers (PLC). Basic terminology will be covered, as well as input/output, processor units, memory organization, numbering systems, ladder diagrams, and programming a PLC. **Prerequisite: ELC124 Electrical Motors**

**Practice Building MST118 – 15 clock hours**

This course will introduce the student to the criteria necessary for building his/her own practice. Topics to be covered will include forms of businesses such as partnership and sole proprietors, licensing requirements, basic bookkeeping and advertising. Discussions will cover targeting markets, marketing plans, and financial requirements. Students will develop a marketing project, design a business card, and file health claim forms. **Prerequisite: MST113 Professional Development & Ethics**

**Principles of Hair Care and Design CWV201 - 30 clock hours**

This course is designed to provide the student with the basic knowledge of trichology as well as hair-brushing and understanding shampoos, conditioners, draping procedures, and principles and elements of hair design. The course will include the philosophy of hair design, elements and principles of hair design, as well as the influence of hair types on a hairstyle. Creating harmony between a hairstyle and various facial structures will also be included. Designing for men will be included in this course as well as draping procedures and pre-service procedures such as cleaning and disinfecting, basic station set-up, stylist preparations, greeting the client, advising and promotion of products, scheduling the next appointment and preparing the work area for the next client.

**Procedures & Observation MTC152 – 60 clock hours**

This course is designed to teach observation and procedural techniques to students in cosmetology education. The course will cover various types of assessment tools including anecdotal records, checklists, program assessments, and performance tasks, along with appropriate procedures for managing classrooms and clinics within a cosmetology program.

**Professional Development & Ethics MST113 – 60 clock hours**

This course teaches students to recognize and anticipate some of the complex dynamics and issues encountered in the client/therapist relationship and how they can develop the necessary skills to negotiate these interactions. Informed consent, scope of practice and ethics will be discussed. Self-care, body mechanics and therapeutic modalities will be introduced. Professional Development and Ethics, includes self-esteem, as well as personal attitude and appearance development, and diet and nutrition as part of personal development.

**Professional Development in Cosmetology CWV101 - 60 Clock Hours**

This course is designed to provide the student with the basic knowledge in professional development, effective communication, and human relations as it relates to cosmetology. The course will cover a variety of topics including business management and ownership, life skills, your professional image, communicating for success, professional practices, types of salon businesses, and seeking employment.

**Project Management NAS155 – 2 credits**

Students will examine the organization, planning, and controlling of projects and provide practical knowledge on managing project scopes, schedules and resources.

**Raceway Systems ELC202 – 3 credits**

This course introduces students to electrical raceway systems. Topics to be covered include: general raceway installation requirements, raceway systems, conduit bending. **Prerequisite: ELC104 Electrical Studies II**

**Residential Wiring ELC121 – 4 credits**

This course introduces students to installing electricity in a residence. Topics to be covered include: residential electrical blueprints, branch circuits, lighting circuits, switch controls, circuit protection, and special purpose receptacles. **Prerequisite: ELC104 Electrical Studies II**

**Respiratory Therapy I RES101 - 8 credits**

Respiratory Therapy I will introduce the role that respiratory therapy plays in multiple clinical settings. An introduction to patient history and interview, legal and ethical aspects of respiratory care, medical reimbursement, assessment and fundamentals of the physical exam will be discussed. Physics, medical gases, humidity and aerosol therapy will be discussed. Topics to be covered include lung expansion therapy, airway clearance devices, principles of infection control and clinical laboratory studies. The student will learn arterial blood gas monitoring and interpretation as well as develop the skills to perform arterial punctures. Students will begin their lab experience in this class. **Prerequisites: MED121 Medical Terminology, MED122 Anatomy and Physiology, and MAT171 Introductory Algebra**
**Respiratory Therapy II RES201 - 3 credits**  
This course introduces students to advanced therapeutic and diagnostic procedures in preparation for diverse and advanced roles in respiratory care. The course will cover pulmonary function testing and equipment, emergency airway management, chest tube management, and non-invasive ventilation strategies.  
**Prerequisite:** RES101 Respiratory Therapy I

**Respiratory Therapy III RES231 - 3 credits**  
This course is a continuation of Respiratory Therapy II and will cover equipment, diagnostic and therapeutic procedures, and management of the adult patient in the intensive care setting.  
**Prerequisite:** RES201 Respiratory Therapy II

**Respiratory Therapy IV RES278 – 3 credits**  
This course introduces the evaluation and management of the newborn with respiratory disease. The course touches on several subjects of interest to the respiratory therapist such as prenatal and perinatal assessment, physical assessment of the newborn, noninvasive monitoring and therapeutic techniques including mechanical ventilation. Primary respiratory diseases, cardiovascular disorders and congenital anomalies of the newborn are reviewed. This course is also designed to cover topics from prior courses that require additional discussion in preparation for the credentialing examinations.  
**Prerequisite:** RES231 Respiratory Therapy III

**RT Certification Prep RES294 – 1 credit**  
This course is intended to prepare the student for the NBRC CRT and RRT examinations. It will review the essential knowledge, skills and abilities required to pass the NBRC examinations. Students will participate in Kettering National Seminars, written CRT and RRT examinations, and RRT clinical simulation practice. The NBRC exam content outline will be explored.  
**Prerequisite:** RES231 Respiratory Therapy III

**Salon Operations COS143 – 45 clock hours**  
This course is designed to provide the student with the skills necessary to manage and supervise a school cosmetology clinic. Students will receive both classroom instruction and direct experience in managing and supervising a school clinic.

**Salon Retailing & Clinic Prep COS104 - 30 clock hours**  
This course is designed to provide the student with the basic knowledge in salon retailing and clinic preparation. The course will cover a variety of topics including salon advertising, product knowledge, life skills, your professional image, communicating for success, clinic procedures, and general rules and regulations for clinic, professional practices, the salon business, seeking employment, on the job, and on the job essay.

**Shielded Metal Arc Welding I WFP105 - 5 credits**  
This course provides the students with an introduction to the shielded metal arc welding process. Emphasis placed on power sources, electrode selection, oxy-fuel cutting, and various joint designs. Instruction in SMAW fillet welds in various positions.  
**Prerequisites:** WFP102 Introduction to Welding

**Shielded Metal Arc Welding II WFP205 - 4 credits**  
A study of the production of various fillets and groove welds. Students will learn preparation of specimens for testing in various positions.  
**Prerequisites:** WFP 105 Shielded Metal Arc Welding I

**Shielded Metal Arc Welding III WFP255 – 3 credits**  
In this course, students will also prepare for and complete their AWS D1.1 3G certification test plate. Students will learn about the AWS D1.1 code and how it applies to welded structures. Classroom material covered will include Advanced Shielded Metal Arc Welding, Welding Codes and Standards, Testing and Inspection of Welds, and Welder Certification. Additional blueprint reading will also be discussed. Safety standards are done in compliance with ANSI Z49.1 Safety in Welding, Cutting, and Allied Processes.  
**Prerequisite:** WFP205 Shielded Metal Arc Welding II

**Spa Therapies MST216 – 60 clock hours**  
This course instructs the student in the art of Aroma Therapy, the benefits and application of essential oils, Hot Stone Therapy, the benefits and application of Basalt lava-rock stones, and Body Treatment Therapies, including exfoliating body scrubs, various body wraps and hydrating body treatments.

**Special Populations MST222 – 30 clock hours**  
This course instructs the student in the art of geriatric massage and infant and pregnancy massage; the positive benefits of infant massage in child development, and the importance of the early touch experience on infants; the techniques for proper geriatric massage; the techniques to relieve the discomforts of pregnancy and full body massage for the expectant mother in preparation for labor and birth; and the application of proper draping skills and side-lying positions for the expectant mother.  
**Prerequisites:** MST122 Anatomy & Physiology and MST123 Kinesiology

**State Board Laws & Theory COS141 – 30 clock hours**  
This course is designed to provide the student with the knowledge needed to prepare them for the theoretical portion of the Pennsylvania state board of cosmetology theory exam. The course will cover general provisions, individual licenses, examinations, display, loss and renewal of licenses and permits, licensure and management of salons, physical requirements of the beauty salon, activities outside a salon, health and safety in salons, licensure and administration of schools of cosmetology, preparation by apprenticeship method, cosmetology law act 99 and penalties and fees.

**State Board Laws & Theory CWV141 - 45 Clock Hours**  
This course is designed to provide the student with the knowledge needed to prepare them for the theoretical portion of the West Virginia state board of cosmetology, which includes both theory and state law exams. The course will cover general provisions, individual licenses, examinations, display, loss and renewal of licenses and permits, licensure and management of salons, physical requirements of the beauty salon, activities outside a salon, health and safety in salons, licensure and administration of schools of cosmetology and barbering, preparation by apprenticeship method, cosmetology legislative rules and Chapter 30, Article 27 West Virginia code, penalties, and fees. The curriculum will also cover sanitation processes and guidelines, sanitation in the licensed facility, first aid, and general infection control as it relates to State Board law.
State Board Practicum COS142 – 45 clock hours
This course is designed to provide the student with the knowledge needed to prepare them for the practical portion of The West Virginia State Board of Barbers and Cosmetology practical exam. The course will cover a variety of practical exam service requirements including the licensing process and six core domain services that must be performed during the State Practical Exam. These services include set up and client protection, Thermal Curling, Haircutting, Chemical Waving, Virgin Hair Lightening Application and Color Retouch, as well as Virgin Relaxer Application and Relaxer Retouch. One or more of the following tasks may be included as additional testing services and will be taught in this course. The skills tasks include Blow dry styling, Shaping and Pin Curl Placement, Roller Placement, Basic Facial, Manicure, Sculptured Nail, and Hair Removal of the Eyebrows.

State Board Practicum CWV142 - 30 clock hours
This course is designed to provide the Cosmetology student with the knowledge needed to prepare them for the practical portion of The West Virginia State Board of Barbers and Cosmetology practical exam. The course will cover a variety of practical exam service requirements including the licensing process and six core domain services that must be performed during the State Practical Exam. These services include set up and client protection, Thermal Curling, Haircutting, Chemical Waving, Virgin Hair Lightening Application and Color Retouch, as well as Virgin Relaxer Application and Relaxer Retouch. One or more of the following tasks may be included as additional testing services and will be taught in this course. The skills tasks include Blow dry styling, Shaping and Pin Curl Placement, Roller Placement, Basic Facial, Manicure, Sculptured Nail, and Hair Removal of the Eyebrows.

State Board Practicum CWV143 - 30 clock hours
This course is designed to provide the Hair Styling student with the knowledge needed to prepare them for the practical portion of The West Virginia State board of Barbers and cosmetologist practical exam as it applies to Hair Stylists/Hair Design. The course will cover a variety of practical exam service requirements including the licensing process and six core domain services that must be performed during the State Practical Exam. These services include set up and client protection, Thermal Curling, Haircutting, Chemical Waving, Virgin Hair Lightening Application and Color Retouch, as well as Virgin Relaxer Application and Relaxer Retouch.

Sterile Procedures PHA205 - 3 credits
This course will familiarize students with terminology, equipment, and principles of sterile procedures. Topics will include medications and parenteral administration, equipment and supplies used in admixture preparation, techniques utilized in parenteral product compounding, terminology and calculations used in the preparation of parenteral products, and parenteral medication incompatibilities. The course will also cover preparation of sterile products using proper aseptic techniques and preparation of IV admixtures and TPN solutions. Hospital orders will also be evaluated and interpreted.

Stretching MST117 – 45 clock hours
This course will introduce students to passive, active, and static stretching. Students will learn the application of proprioceptive neuromuscular facilitation in depth, which will provide assistance to them during massage sessions. Prerequisite: MST123 Kinesiology

Student Success GEN101 - 1 credit – 15 clock hours
This course will enable the student to develop an understanding of the various concepts and skills needed to be successful in the classroom as well as in the workplace. Among the concepts discussed will be career goals, career skills, attitude and its effect on the student, study skills, note taking skills, critical thinking, and professionalism.

Student Teaching MTC158 – 150 clock hours
This course is designed to provide the student teacher with the knowledge and skills needed to provide them with actual classroom experience under the supervision of an instructor. The course will cover a variety of requirements including daily progress reports from assigned instructors and teaching assigned classes in either practical demonstration or theory lecture.

The Science of Nail Technology CWV111 - 105 clock hours
This course is designed to provide the student with the basic knowledge needed in Esthetics involving the histology of the skin. This course will also cover a variety of services including skin analysis, client consultations, skin care products, facial equipment, facial massage, histology of the skin, electrotherapy and light therapy facial treatments, state board procedures, and various make up applications such as basic make-up applications, special occasion, and corrective make-up applications. Application of artificial eyelashes will also be included as well as both temporary and permanent hair removal.

The Science of Nail Technology CWV111 - 105 clock hours
This course is designed to provide the student with the advanced knowledge in manicuring, pedicuring, and nail design procedures. The course will cover a variety of topics and services including nail structure and growth, nail diseases and disorders, basic manicuring and massage for women and men, pedicuring and advanced nail techniques such as nail art, nail tips and wraps, monomer liquids and polymer powder nail enhancements as well as UV gels.

Therapeutic Techniques MST214 – 45 clock hours
This course is designed to provide the student with specific basic knowledge for the specialized modalities of lymph drainage, myofascial release and myotherapy. Prerequisite: MST112 Essentials of Massage & Bodywork
**Teacher State Board Class MTC281 – 60 clock hours**
This course is designed to provide the student teacher with the knowledge and skills needed to prepare them for the practical and theoretical aspects of the Pennsylvania state board of cosmetology teacher’s examination.

**Teaching Methods & Learning Styles ECE269 - 4 credits**
The goals of this course are to enable students to identify different learning styles of children and to develop appropriate curriculum and a variety of teaching methods for use in the classroom. **Prerequisite:** ECE102 Child Growth & Development

**Transformers ELC201 – 3 credits**
This course introduces students to transformers and their use in the electrical field. The course covers transformer construction and transformer connections. Basic types of generators will also be covered. **Prerequisite:** ELC104 Electrical Studies II

**Trigger Point Therapy MST211 – 45 clock hours**
This course teaches students to visualize muscles that are lacking range of motion due to trigger points. Students learn common pathologies that are caused by trigger points and how to alleviate chronic pain and dysfunction through the use of trigger point therapy. **Prerequisites:** MST112 Essentials of Massage and Body Work, MST122 Anatomy & Physiology, and MST123 Kinesiology

**Website Technology CSA235 - 2 credits**
This course introduces students to the underlying concepts of HTML (Hypertext Markup Language). Standard HTML is presented to provide a solid foundation for developing high-quality Web pages that have solid cross-browser consistency. Students will learn to use Dreamweaver as a composing program for the rapid development of interactive websites that include dynamic interactive components. **Prerequisites:** CMP113 Introduction to Computers and CMP135 Introduction to the Internet

**Welding Inspection Techniques WFP115 - 2 credits**
This course will introduce students to the established codes and standards used to judge a weld. It will also instruct students how to ensure the quality, reliability, and strength of a weldment, along with choosing the correct type of inspection the weld requires. **Prerequisite:** WFP255 Shielded Metal Arc Welding III

**Wigs, Braiding, and Hair Additions CWV204 - 45 Hours**
This course will cover understanding human vs. synthetic wigs and hair, including the advantages and disadvantages of each. Students will learn proper technique in wig measurement, application of the wig, as well as cleansing, cutting, and styling wigs. Students will learn the basics of braiding as well as advanced braiding such as rope braids, fishtail braids, invisible braids, single braids with and without hair additions, and cornrows. Students will be taught to add and remove hair additions.

**Windows Server Active Directory NAS243 - 2 credits**
This course introduces the essential skills needed to design, implement and support an Active Directory enterprise. The students will learn the skills to design and implement group policy and DNS structure. **Prerequisite:** NAS258 Network Operating Systems II

**Wireless Technology NAS231 - 2 credits**
This course introduces wireless LAN technology. Students will install, configure, and troubleshoot wireless LAN networks. Topics will include radio frequency technologies, wireless LAN technologies, implementation, management, and security. **Prerequisites:** NAS138 Introduction to Networks, NAS173 Computer Repair & Maintenance, and NAS183 Local Area Networks

Effective: Summer 2019 Semester

Revised 05/02/2019
The Pennsylvania Human Relations Act (PHRAct) prohibits discrimination against prospective and current students of kindergartens, primary and secondary schools, high schools, academies, colleges and universities, extension courses and all educational institutions under the supervision of the Commonwealth. The PHRAct prohibits discrimination because of an applicant’s or current student’s race, color, sex, religion, ancestry, national origin, handicap or disability, record of a handicap or disability, relationship or association with an individual with a handicap or disability, use of a guide or support animal, and/or handling or training of support or guide animals.

The PHRAct does not protect prospective and current students of “distinctly private” educational institutions such as parochial schools, nor does it protect prospective and current students from age discrimination.

The Pennsylvania Fair Educational Opportunities Act (PFEOAct) prohibits discrimination against prospective and current students of any postsecondary institution and any secondary or post-secondary secretarial, business, vocational or trade school subject to the visitation, examination or inspection of and/or actual or potential licensure by the Department of Education because of a prospective or current student’s race, religion, color, ancestry, national origin, sex, handicap or disability, and/or relationship or association with an individual with a handicap or disability.

The PFEOAct permits religious or denominational institutions to use religion in their admissions, enrollment and program decisions. Educational institutions which are neither state-owned, state-related, nor state-aided may offer single-sex classes. The PFEOAct does not protect prospective or current students from age discrimination.

It is also unlawful to retaliate against any prospective or current student because he or she has filed a complaint with the Commission or to aid or abet any unlawful discriminatory practice under the PHRAct or the PFEOAct.

This notice must be posted conspicuously in easily accessible and well-lighted places at the educational institution where it may be readily seen by those seeking, using or granting any of the educational institution’s accommodations, advantages, facilities or privileges. This notice should be exhibited prominently wherever the educational institution exhibits informational notices, e.g. Web sites, bulletin boards, and student handbooks and publications.

WARNING: Removing, defacing, covering up or destroying this notice is a violation of the Pennsylvania Crimes Code and may subject you to fine or imprisonment.

For further information, write, phone or visit the Pennsylvania Human Relations Commission: Executive Offices: 333 Market Street, 8th Floor · Harrisburg, PA 17126 (717) 787-4410 · (717) 787-7279 (TTY) or visit us at www.phrc.state.pa.us

Complaints must be filed within 180 days of the alleged act of discrimination. To file a complaint contact the Regional Office nearest you:
